The Fountain Of Truth:

The Fountain of Truth Raymond K. Swanigan, 2005-07-01 The year is 1585 Newly Protestant England stands alone against the world girdling Spanish Empire of King Philip II a Catholic zealot who is bent on stamping out the heresy that has taken root in the British Isles A veteran Spanish army of occupation stands astride a rebellious Protestant Netherlands like a dagger aimed across the Dover Strait at England From Spain s expansive but loosely held American Empire a hoard of silver is being assembled for transport across the Atlantic to fill Philip s coffers and finance a mighty Armada to carry that army across to England Only a defiant woman Queen Elizabeth I wielding power like a fox and her sea dog ship captains aboard formidable English galleons stand between Philip and his dream of world hegemony Robert Lawton is a young but seasoned shipmaster recently returned to London from a trading voyage to Spain where Spanish officials and the dreaded Inquisition attacked his men and stole his cargo Not keen on leading the life of a lawless corsair Lawton is nonetheless drawn into a reprisal venture with an old family friend the hardened sea dog Richard Hawthorne Hawthorne has assembled a force of English galleons under a secret Queen s commission to plunder King Philip s annual treasure fleet before it links up with the fearsome war galleons of the Spanish Averia and crosses to Spain Caught up in Hawthorne s lust for glory loot and vengeance Lawton signs aboard Hawthorne s galleon the Elanor Rose as second mate The fleet sets sail toward the Caribbean to wreak havoc on the far flung settlements and shipping of Philip s American dominion Almost right away dissension among the fleet s high officers challenges the cohesion of the fleet Despite moderate success against the Spanish on land and sea Hawthorne s personal agenda leads his ship and crew on a risky secret route that can lead to either glory or ruin The outcome of this choice will be decided by whimsical natural elements a contentious crew or the guns of Spanish warships lurking on their trail Voyage of Reprisal draws on the author s extensive research into the period and presents a careful reconstruction of life at sea aboard an Elizabethan war galleon her crew forms a microcosm of a 16th century society mired in an ideological and economic struggle Charismatic characters come alive from crude sailors to arrogant lords and the pains joys sorrows and hopes of the age are explored within the wooden hull of the Elanor Rose **The Third**

Testament-Spirit of Truth T. R. Ross, 2007-12-02 Did I not promise that all knowledge would be restored to its original truth Christ s prophecy has been fulfilled The following words have become absolute reality I have yet many things to say unto you but ye cannot bear them now Howbeit when he the Spirit of truth is come he will guide you into all truth John 16 12 13 This book of my teachings has been formed from the lessons of love and charity and dictated to you through human understanding Since ancient times I have entrusted to you my teachings through my envoys my emissaries my interpreters and you have used it to create myths and traditions But you will not fulfill your purpose unless you meditate and study this lesson with respect and love Truly I say to you that he who meditates and analyzes the teachings of my Book with a true desire to elevate his knowledge will acquire the light for his spirit and he will feel Me nearer to him **Sacred Studies: Or,**

Aids to the Development of Truth Robert Ferguson (D.D., LL.D.),1854 *Truth, the Great Business of Our Times* John Maynard, C. Matthew McMahon, 2022-08-08 The truth of God is the foundation of all true religion This is why the first commandment in Exodus 20 in order to love God with all your heart soul and mind is to have no other gods before him and to take God as your God in the way God has revealed himself God has deposited his truth his will his word into the hands of the church into the very heart of the church It has been delivered to them that ye should earnestly contend for the faith which was once delivered unto the saints Jude 1 3 Maynard s exposition of the truth comes from Proverbs 23 23 Buy the truth and sell it not He gives two propositions that serve as his doctrines 1 An affirmative or precept Buy Truth and 2 A negative or prohibition Sell it not In this Maynard shows 1 What is this Truth which we are required to buy 2 What does it mean to buy Truth 3 From whom must it be bought 4 Why is this purchase necessary In his second address he covers Philippians 3 21 According to the working whereby he is able even to subdue all things unto himself He will argue for Christ s kingship that the work and merit of the Savior is both a current reality in subduing his enemies and a future reality in its completion In light of this he argues that if the Lord has honored you by adopting you into his family it behooves you to render your absolute service to the King of heaven Not only that you would see the delights surrounding the cross of Christ but also the wonders surrounding the crown of the King Not only that you would love the sweet Savior but also that you would heed his commands and his truth as the commanding King *The Fountain of Truth. [Translated from the Spanish.].* Antonio de ESLAVA, 1832 *Sacred Studies: or, aids to development of truth. A second and enlarged edition of discourses on important subjects* Rev. Robert FERGUSON (LL.D.), 1854 **The Spirit of Truth** Haitham A. Issak, 2023-09-12 The fourth century was different than the previous centuries due to two big heresies The first one was the heresy of Arius who denied the divinity of the Son This heresy led to the Council of Nicaea in 325 in which the church fathers affirmed the divinity of the Son of one substance with the Father The second heresy was that of the Tropici who denied the divinity of the Holy Spirit and said that the Holy Spirit was a creature or an angel At that time Athanasius was one of the most important leaders in the life of the church He wrote against the Tropici as he addressed them in his letters to Serapion These letters are the major work of Athanasius concerning the Holy Spirit The Spirit of Truth explains the way that Athanasius dealt with the heresy and elucidates the pneumatology of Athanasius s use of the Gospel of John and 1 John It also discusses Athanasius s understanding of tradition Scripture and hermeneutical principles in his defense of the Godhead particularly the divinity of the Holy Spirit For Athanasius the Holy Spirit is eternal divine uncreated and one with the Father and the Son **The Book of Symbols** Robert Mushet, 1847 **Christ the standard of truth set up by the light of the Morning Star, the Spirit of truth: and Satan, the son of perdition, revealed by the same light, etc** Dorothy GOTT, 1790 **Molochology not Theology: Penang Sermons** afterwards ABERIGH-MACKAY MACKAY (James), 1870
