Congress. House Internal Security,1971 **The Fountainhead of Religion** Ganga Prasad,2000 Prasad writes that the Vedas are the oldest written source of theology and ultimately the source of all other theological systems He takes major religious themes such as good and evil the afterlife resurrection and the name used for god in the religions of Judaism Christianity Buddhism and others and traces them back to the Vedas *A History of Greece: The Greek revolution, pt. 1, A.D. 1821-1827* George Finlay,1877 **The Metaphysics of the School: (pt. 1) Book 5 [cont'd] Causes of being** Thomas Harper,1884 **The Greek revolution, pt. 1, A.D. 1821-1827** George Finlay,1877 Philosophers of Capitalism Edward Wayne Younkins,2005-01-01 Philosophers of Capitalism provides an interdisciplinary approach attempting to discover the feasibility of an integration of Austrian Economics and Ayn Rand s philosophy of Objectivism In the first section of the book Edward W Younkins supplies essays presenting the essential ideas of Carl Menger Ludwig von Mises and Ayn Rand Building upon these essential ideas the second portion of the book brings together scholarly perspectives from top academics analyzing Menger von Mises and Rand The third and final section of the book looks toward the future and the possibility of combining and extending the insights of these champions of a free society emphasizing how the errors omissions and oversights made by one theorist can effectively be negated or compensated for by integrating insights from one or more of the others Featuring a list of recommended reading for the major ideas and theorists discussed Philosophers of Capitalism is an essential book for both philosophers and economists **The Journals of Ayn Rand** Ayn Rand,Leonard Peikoff,1999-08-01 Rarely has a writer and thinker of the stature of Ayn Rand afforded us access to her most intimate thoughts and feelings From Journals of Ayn Rand we gain an invaluable new understanding and appreciation of the woman the artist and the philosopher and of the enduring legacy she has left us Rand comes vibrantly to life as an untried screenwriter in Hollywood creating stories that reflect her youthful vision of the world We see her painful memories of communist Russia and her struggles to convey them in We the Living Most fascinating is the intricate step by step process

through which she created the plots and characters of her two masterworks *The Fountainhead* and *Atlas Shrugged* and the years of painstaking research that imbued the novels with their powerful authenticity Complete with reflections on her legendary screenplay concerning the making of the atomic bomb and tantalizing descriptions of projects cut short by her death *Journals of Ayn Rand* illuminates the mind and heart of an extraordinary woman as no biography or memoir ever could On these vivid pages Ayn Rand lives
