

THE FOUR GOSPELS

The life and teachings of Jesus Christ from four perspectives.

Gospel

From *euangelion* (Greek), which means good news. This refers to Jesus' message, the good news of the Kingdom of God.

Why four Gospels?

- Different original audiences and different purposes.
- Four perspectives for a fuller picture.
- Repetition for emphasis.

MATTHEW

Author: tax collector called to become an apostle.

Original audience: Jewish readers.

Emphasis: on the fact that Jesus is the Messiah prophesied in the Old Testament.

Interesting fact: Matthew alone uses the term *kingdom of heaven* (equivalent to Kingdom of God).

LUKE

Author: the beloved physician and companion of Paul.

Original audience: Theophilus and gentile readers.

Emphasis: on Jesus' humanity and His kindness to the weak, suffering and outcasts.

Interesting fact: Luke alone tells of Jesus' experience at the temple at age 12.

Some things covered in all four Gospels:

- Ministry of John the Baptist.
- Feeding of the 5,000.
- Betrayal by Judas.
- Denial by Peter.
- Trial and crucifixion of Christ.
- Resurrection of Christ.
- Promise of His second coming.

MARK

Author: served with Paul, Barnabas and Peter.

Emphasis: on Jesus' mighty and miraculous works that prove He is the Messiah.

Interesting fact: "Only four paragraphs . . . are unique to Mark" (*Eerdmans' Handbook to the Bible*, p. 499).

JOHN

Author: fisherman called to become an apostle.

Original audience: gentile Christians at the end of the first century.

Emphasis: on the last days and hours of Christ's life so "that you may believe that Jesus is the Christ" (John 20:31).

Interesting fact: John alone gives Jesus' great "I am" statements and describes Jesus' washing of the apostles' feet on Passover.

The Four Gospels And The Revelation:

The Four Gospels and the Revelation, 1979 **The Theology of the Four Gospels** Mel Shoemaker, 2011-10 Biblical theology is the discovery and development of doctrine as found and emphasized by a specific book of the Bible Instead of beginning with a subject and then searching the scriptures broadly to assemble what may be relevant and illuminate one's understanding of that specific topic biblical theology starts with a particular author and focuses upon a specific scriptural unit The objective is to let the Bible speak for itself and discover what the original writer's wanted readers or those listening to the reading to understand Therefore New Testament biblical theology assists the student in understanding the distinctive doctrinal enrichment each book in the Christian canon brings to the collection of authoritative literature The Theology of the Four Gospels is designed to engage an individual or group in a fresh study of the teachings of Jesus and the distinctive perspectives of the Four Evangelists Matthew Mark Luke and John Even though everyone participating in the study is examining the same literature the conclusions may vary widely which may contribute to a very fruitful discussion Why should one anticipate a variety of interpretations Each person comes to the study of the Bible with prior opinions judgments and beliefs These presuppositions have been formed by our culture e.g. ethnicity political social economic and religious background critical knowledge educational background in history literature language natural abilities life experiences and age and character moral values belief in the supernatural human immortality accountability rational choices and spiritual maturity This is the goal to let the Four Gospels speak for themselves The theological outcome may be tentative and provisional however the reader or student becomes engaged in the process of building a sound personal theology and a steadfast living faith in Jesus Christ **The Fourth Gospel in Four Dimensions** D. Moody Smith, Jr., 2021-04-28

Compelling perspectives on the Gospel of John from a premiere scholar of the subject This multidimensional volume from the leading American scholar of Johannine studies brings together D. Moody Smith's germinal works from the past two decades along with some original articles published here for the first time The resulting collection augments current understanding of the Gospel of John with fresh insights and research and points the way toward opportunities for new inquiry The collection is structured around four focal issues that define contemporary studies of John In the first section Smith places the book within its Jewish milieu attempting to account for the tension between the work's seeming anti-Jewishness and its familiarity with Jewish life and thought Next Smith engages the relationship between John and the historical figure of Jesus especially the extent to which John's representation of Jesus reflects knowledge of independent traditions as well as the self-consciousness of his own community The third section examines John's account against the Synoptic Gospels assessing the evidence of John's access to an independent record of the passion and the possibility that John adopted the gospel genre from Mark Finally Smith explores how the Gospels and especially that of John evolved into scripture and how they have come to be interpreted in conjunction with one another **The Four Gospels as Historical Records**, 1895 **The Four Gospels** Catherine

Upchurch, Ronald D. Witherup, Little Rock Scripture Study, Mary Elsbernd, 2009 Indispensable for all who long to know Jesus better The Four Gospels provides a complete reference to the gospels features an engaging layout providing information where you need it includes charts maps and photographs is a source for personal meditation is great for group Bible study too is solidly Catholic in approach comes from the producers of the long standing Little Rock Scripture Study program

The Four Gospels on Sunday Gordon W. Lathrop, 2012-06-01 Premier liturgical theologian Gordon Lathrop argues that far too often liturgy preaching and liturgical theology are informed by nave and outdated exegesis In another fully original and deeply reflective work Lathrop partners with newer biblical studies to see the Gospels anew He treats the Gospels as early witnesses to the meaning of Christian assembly and forces in the shaping and reshaping of liturgy Lathrop first probes each Gospel historically and exegetically to discern what it tells us about early Christian worship and Christians relationship to the Risen One Then Lathrop treats the Gospels together to draw out more of their contemporary importance especially ways in which they can enrich our reflection about the assembly itself ministry baptism the use of scripture in liturgy and unity within ecumenical diversity Taking seriously the origins of the New Testament as we understand them today Lathrop demonstrates that the Gospels can remain a true catalyst for liturgical theology and liturgical renewal as well as an inspiring link to the faith and convictions of the earliest followers of the Christian way The Four Gospel & The Great Commission

THOMAS HWANG, 2021-07-27 I hope that through this book the readers will have developed a larger perspective with which to view the Old Testament and New Testament as a single great flow and to connect the Four Gospels with the rest of the books in the Bible At the same time I hope this book will have provided the opportunity to view each of the events in the Gospels in a detailed even microscopic way To this end I earnestly hope that God will grant the readers wisdom understanding knowledge and insight Ex 31 3 Prov 3 13 Isa 11 1 2 I hope all of us will obey the will of God contained in His Purpose of Creation Great Commandment and Great Commission and that we may have the same vision that Paul confessed right before his martyrdom I have fought the good fight I have finished the race I have kept the faith Now there is in store for me the crown of righteousness which the Lord the righteous Judge will award to me on that day and not only to me but also to all who have longed for his appearing 2 Tim 4 7 8 Amen *A Prologue to Studies in the Fourth Gospel* Riku P.

Tuppurainen, 2021-05-25 The Fourth Gospel both blesses and betrays It blesses readers who engage with its message but it may betray those who read it nonchalantly The notion that the Fourth Gospel is easy to understand is an enduring myth This volume takes readers on a heuristic journey to discover the Fourth Gospel's unique theological aspects problematic historical matters inimitable literary features and various interpretive approaches using an accessible format and easy to read language The purpose of this publication is to enable readers to appreciate the Fourth Gospel's wide horizon so necessary to understand its narratives in their historical and narrative contexts Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel similarly this volume introduces and gives

perspective to studies in the Fourth Gospel The text is divided into three parts which examine its independent theology and argumentation various outstanding issues and its interpretation respectively This volume is suitable for a wide readership from Bible study groups to pastors and from undergraduate to graduate students The Greek Testament: The Four Gospels, and the Acts of the Apostles William Francis Wilkinson, William Webster, 1855 **The New Testament, tr., and the four Gospels arranged in a harmony, with notes. By W. Thomson ,1816**

The Four Gospels And The Revelation Introduction

In today's digital age, the availability of The Four Gospels And The Revelation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Four Gospels And The Revelation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Four Gospels And The Revelation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Four Gospels And The Revelation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Four Gospels And The Revelation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Four Gospels And The Revelation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for The Four Gospels And The Revelation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Four Gospels And The Revelation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Four Gospels And The Revelation books and manuals for download and embark on your journey of knowledge?
