In the Queens' Parlor Ellery Queen, 1969 *The Pocket Book of Father Brown* Gilbert Keith Chesterton, 1927 The father of paradox The outstanding characteristics of Father Brown are his remarkable abilities first to imagine himself in the place of the criminal and secondly his insight into the human heart gained over a long period of time in the course of his parish work These two qualities make him the most human most lovable and the wisest of all fictional detectives Physically he is small and insignificant man except for a rather large round stomach and small round hat At first people are inclined to overlook him but after five minutes of conversation people recognize that he talks truth **The Four of Hearts and ;**
