The Fourfold Way Cd The Teacher:

Sentipensante (Sensing / Thinking) Pedagogy Laura I. Rendón, 2023-07-03 Challenging inspiring beautifully written and unusual this book calls readers to find ways to link mind and heart thinking and feeling to transform teaching and learning in higher education Laura Rendón has illustrated how one can unite one's deep beliefs values and feelings with one's keen analytical and intellectual abilities an important thought provoking and unique addition to the literature on teaching learning and the academic life The Review of Higher Education on the first edition This new and expanded edition of the acclaimed and successful book by nationally recognized student advocate activist scholar and contemplative educator Laura Rendón will surely find new audiences who are eager to create teaching and learning environments where the learner is fully present and engaged using the full capacities of mind body and senses and where the learning experience can be simultaneously subjective and objective a view which challenges the privileged notion that only reason and objective modes of learning are valid While the pedagogy can be employed with all students Rendón provides support for faculty who work with low income first generation and racially minoritized learners Sentipensante Pedagogy benefits all students through holistically meeting their emotional needs and quest for knowledge and simultaneously fostering their civic sense critical consciousness and community engagement Rendón offers an inspirational and contemplative pedagogy that leverages student assets and addresses the rhythmic balance and interconnection between intellectual social emotional and inner life skill development The book blends academic discussions about pedagogy and diverse world views as it inspires a new generation of faculty and staff to develop blueprints for democratic decolonial teaching and learning environments The sensing thinking approach has been successfully adopted and adapted in courses and seminars across many academic disciplines including STEM in two and four year colleges institutions Several colleges and universities have created centers around contemplative studies and pedagogy with applications extending to the K 12 education arena As with adopting any new pedagogical approach planning and thought needs to be given on how to integrate its reflective and creative elements with course content This book offers inspiration and guidance for faculty who want to holistically address the needs aspirations and individual development of their students

The Seven Stages of an Enlightened Teacher Christine Jax, 2011-07-16 In The Seven Stages of an Enlightened Teacher Dr Christine Jax presents a path to great teaching that shows how and why teaching is a calling in the true sense of the words The book is grounded in the theory that the education of another person is a spiritual endeavor that improves as the inner life of the teacher improves While avoiding the perils of dogma doctrine and politics Jax has found a way for teachers to understand the role of God and spirituality in the classroom She does this by focusing on the teacher's strengths and commitment rather than on the student or the subject matter content Through inspirational stories concrete instructional strategies and spiritual practices this book helps teachers go through stages of enlightenment in order to become energized fulfilled and successful at increasing student growth and learning The Seven Stages of an Enlightened

Teacher demonstrates how the individual teacher's gifts and beliefs are the primary elements of great teaching Reflective Practice for Renewing Schools Jennifer York-Barr, William A. Sommers, Gail S. Ghere, Jo Montie, 2016-05-20 Renew your teaching and your passion with this updated bestseller The teaching life can be hectic complex and even lonely That's why so many educators turn to reflective practice to reenergize their commitment to students and to themselves Reflective practice counteracts the effects of professional isolation and instills a personal and communal sense of meaning renewal and empowerment This best selling book offers research based and practical ideas and strategies for using reflective practice individually with colleagues schoolwide and even district wide Features of the newest edition include Updated strategies for engaging adults and students and using reflective practices to create equitable outcomes New examples of reflective practice in action A new chapter on the core leadership practices for growing reflective practice A new companion website with resources and reflection protocols When you make reflective practice part of your journey as an educator your insights benefit everyone and ensure enhanced learning and development for students This book is one of the best in the field It lends itself to practical solutions if the reader remembers that the gifts of time and relationships are at the center of this work The book takes a lot of theory and melts it down to hands on pieces doable in a school or district setting Michele R Dean Coordinator Ventura County Indian Education Consortium Ventura Unified School District CA The book has broken down reflection into its component parts cycles characteristics and capacities I applaud the insights and experiences of the authors Pat Roy Senior Consultant Learning Forward

The Way of Conflict Deidre Combs, 2004 The Way of Conflict teaches how to use ancient wisdom passed down through symbol folk tale and ancient classics such as The Art of War and the Bhagavad Gita to confidently engage in any dispute and reach a balanced resolution It is the first book to integrate the wealth of conflict skills found throughout the world's major religious and indigenous traditions with the latest scientific systems and conflict resolution theory The Way of Conflict employs the cross cultural metaphor of the four natural elements earth water fire and air to identify our innate conflict personalities and forge an understandable path through the chaos of conflict Using assessment tests anecdotes from indigenous and religious traditions and illustrative folk tales Dr Combs describes how to quickly assess a conflict and its participants and implement an appropriate resolution strategy

Energizing Staff Development Using Film Clips Walter R. Olsen, William A. Sommers, 2005-09-08 One of the fastest ways to provide an understanding is through a story or a visual Film clips do both This book is an invaluable aid to any staff developer who wants to captivate an audience and teach at the same time Dr Ruby Payne President aha Process Inc Because our metaphorical minds learn through finding patterns relationships and analogies the use of film clips to illuminate such elusive but enduring values as persistence courage empathy creativity and hope can accelerate their meanings more powerfully than any lecture definition or description Arthur L Costa Professor Emeritus California State University Sacramento Make training fun engaging and rewarding with this powerful and readily available technology Video and DVD clips give participants an
