The Fullness Of Time The Truth About Whats Coming And When:

The Fullness Of Time J. B. Orly, 2001-09-10 A five volume study in a single book which reveals God's purpose in events taking place in our generation **The Five Mysteries in Brotherhood of the Cross and Star** Carl Alexander-Reindorf, 2006-11-09 In this book we record the five mystery gospels preached by Leader Olumba Olumba Obu namely Mystery of God Mystery of Time Mystery of Propagation Mystery of Death and Mystery of Marriage Several Gospels on Christ's Universal Spiritual School of Practical Christianity otherwise known as Brotherhood of the Cross and Star are also recorded The Addendum contains Order of Services in Brotherhood of the Cross and Star *Give Us This Day Devotionals, Volume 7* Charles Erlandson, 2024-03-29 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Give Us This Day deals in depth with entire passages and their contexts Rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he's not afraid to use his sense of humor and he carefully relates the Bible not only to the individual's life but also to the life of the Church At the end of each day's devotional an appropriate Prayer is offered as well as Points for Further Reflection on the day's lesson Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer The Baptist Quarterly Review John Ross Baumes, Robert Stuart MacArthur, Henry Clay Vedder, 1880 **The Seventy's Course in Theology, Second Year** B.H. Roberts, 2023-07-21 Reproduction of the original The Doctrinal Treatises St. Augustine of Hippo, 2017-08-31 The most weighty of the doctrinal treatises is that on the Holy Trinity The Latin original De Trinitate contra Arianos libri quindecim is contained in the 8th volume of the Benedictine edition It is the most elaborate and probably also the ablest and profoundest patristic discussion of this central doctrine of the Christian religion unless we except the Orations against the Arians by Athanasius the Father of Orthodoxy who devoted his life to the defense of the Divinity of Christ Augustine owing to his defective knowledge of Greek wrote his work independently of the previous treatises of the Eastern Church on that subject He bestowed more time and care upon it than on any other book except the City of God Besides this treatise the following works are included The Enchiridion or On Faith Hope and Love On the Catechising of the Uninstructed Treatise on Faith and the Creed Concerning Faith of Things not Seen On the Profit of Believing On the Creed Homilies on the Gospel of John; Homilies on the First Epistle of John; Soliloquies Saint Augustine, **Conversations with the Red Giraffe** Oscar James Hessel, 2007-07-26 A collection of thirty four sermons written and compiled by Hessel former Dean of Faculty at Columbia Theological Seminary all of which focus on the wisdom of God and the path to salvation found within the Gospel An invaluable tool for the mind and soul *Nicene and*

Post-nicene Fathers First Series, St. Augustine Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume III of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find a complete collection of Saint Augustines writings concerning Christian doctrine and ethics On the Holy Trinity is one of his most important works and Augustine spent a significant amount of time crafting it Among the ethical considerations covered in the second half of the book readers will find essays on virginity lying patience and proper care for the dead No Half-Truths Allowed: Understanding the Complete Gospel Message Christine Paxson, Rose Spiller, 2020-05-08 When it comes to proclaiming the Gospel message half truths vague notions and generalizations can be dangerous What are the important truths we need to know and share with others Is it enough to believe that God loves us and wants a relationship with us Is it enough to ask Jesus into our hearts Is it enough to recite the sinner s prayer or do we need to repent of our sin Is going to church and serving others enough Is what Jesus suffered more than a gruesome death on a cross If Jesus who is fully God was crucified did God die on Good Friday Is God mad at us when we sin and happy when we re behaving Can we lose our salvation If you re not sure of the answers to any of these questions you are not alone There are a lot of false ideas out there about Christianity and the Gospel Join Christine Paxson and Rose Spiller as they explore the answers to these and many other questions about the true Gospel message in No Half Truths Allowed Understanding the Complete Gospel Message Learn what Jesus did for you why He did it and how you can articulate the Gospel to others Also available is the companion No Half Truths Allowed Study Guide an interactive study guide with questions and Scriptures to help readers delve even deeper into understanding the complete Gospel message
