The Future Of Christian Marriage:

The Future of Christian Marriage Mark Regnerus, 2020-08-01 Marriage has come a long way since biblical times. Women are no longer property and practices like polygamy have long been rejected. The world is wealthier, healthier, and more able to find and form relationships than ever. So why are Christian congregations doing more burying than marrying today? Explanations for the recession in marriage range from the mathematical (more women in church than men) to the economic and from the availability of sex to progressive politics. But perhaps marriage hasn't really changed at all. Instead, there is simply less interest in marriage in an era marked by technology, gender equality, and secularization. Mark Regnerus explores how today's Christians find a mate within a faith that esteems marriage but in a world that increasingly yawns at it. This book draws on in-depth interviews with nearly two hundred young adult Christians from the United States, Mexico, Spain, Poland, Russia, Lebanon, and Nigeria in order to understand the state of matrimony in global Christian circles today. Regnerus finds that marriage has become less of a foundation for a couple to build upon and more of a capstone. Meeting increasingly high expectations of marriage is difficult though in a free market whose logic reaches deep into the home today. The result is endemic uncertainty slowing relationship maturation and stalling marriage. But plenty of Christians innovate, resist, and wed, and this book argues that the future of marriage will be a religious one. The Future of Christian Marriage John Marshall, 1970 The Future of Christian Marriage John Marshall, 1969 **The Future of Christian Marriage** William W. Bassett, Petrus Huizing, 1973 The Future of Christian Marriage Mark Regnerus, 2020-08-01 There is less interest in marriage in society today than in years past in an era marked by technology, gender equality, and secularization. In this book, Mark Regnerus explores how today's Christians find a mate within a faith that esteems marriage but a world that increasingly yawns at it and argues that the future of marriage will be a religious one. **The Future of Christian Marriage among the Igbo vis-a-vis Childlessness** Augustus Chukwuma Izekwe, 2015-08-06 Marriage was ordained by God for the good of spouses and for procreation. But how often does marriage turn out to bring unhappiness to partners? And how often do even happy marriages end up childless? Among the Igbo of South-eastern Nigeria, to whom offspring is the chief goal of marriage, childlessness leads often to unhappiness in marriage and not less often to the break up of marriages or to polygamy. In this work, the author expounds the importance of marriage and its practice among the Igbo. He explains the importance of children in Igbo understanding of marriage and identifies childlessness as the key factor which could endanger and sometimes do endanger the Igbo acceptance of the Catholic doctrine of the indissolubility of marriage. Using the relevant clauses of the Code of Canon Law, the author explains in detail the Catholic understanding of marriage and the goals of the Catholic doctrine on marriage. He writes of the possibility of marriage impediments due to impotence and sterility that lead to childlessness and recommends not only a thorough pre-marriage preparation but also a continual formation of marriage couples as efforts that could check the increasing rate of divorce and polygamy due to childlessness. But the author knows

that childlessness can still occur despite all precautions He therefore recommends adoption instead of polygamy as the ultimate panacea to childlessness in marriage The author condemns in unmistakable terms the mentality among the Igbo which blames and traumatizes the woman in cases of childlessness Future of Christian Marriage William W. Basset, Peter J. Huizing, 1976-06 *A 2020 Vision in a Christian Marriage* Dr. Henry L. Townsend, Susan M. Townsend, 2021-04-23 This marriage series is focused on a 2020 vision of the past present and future ramifications of marriage and family in Christian living Faith is emphasized in order to help the readers gain a greater understanding of the precepts that lead to a stronger marriage The principles used in this outline are applied to make it real as it relates to the husband and wife siblings parents and children and how they all relate The authors bring nearly 50 years of experience living and participating in an active role of Christian development in marriage There are many discussions questions and activities which may or may not be gender specific that relate to scripture This series may lead to questions with contrasting viewpoints that will contribute to a broader more insightful way of thinking of how we view ourselves as Christians in marriage The entire series is written with the understanding that prayer in all topics and issues presented is all encompassing and is the first and last option to the success of all elements of marriage and family Exploring the Future of Christian Monasticisms Greg Peters, 2020-01-15 The institution of monasticism in the Christian Church is in general decline at least in so called first world nations Though there are many reasons for this monastic leaders are confronted by the reality of fewer communities monks and nuns nonetheless At the same time many younger Christians are rediscovering the rich heritage of the monastic tradition Though they themselves might not be called to join a traditional monastery they are eager to appropriate monastic practices in their own lives This has led to a movement known as the new monasticism or secular monasticism Despite lacking a unified vision and any central organization these new secular monastics are attempting in their own ways to carry on the tradition and practices of Christian monasticism As well there is a movement within historical Christian monasteries to pour new wine into old wineskins Traditional forms of monasticism are also generally flourishing in developing nations breathing new life into monasticism This volume looks at the current monastic landscape to assess where monasticism stands and to imagine ways in which it will grow in the future leading not only to a renewed Christian monasticism but to new monasticisms

Christian Marriage David Ayers, 2019-02-06 Why should we care about marriage There is a lot of confusion about the purpose of marriage today outside the church as well as within it Written by a distinguished Christian sociologist Christian Marriage is a theologically rich biblically robust and sociologically informed treatise on the nature and value of marriage Drawing on recent social science research empirical data and social history Ayers paints a picture of marriage as an institution meant for human flourishing Along the way Ayers addresses such topics as Dating and selection of a spouse The importance of premarital counseling Sex and procreation Mentoring and supporting unmarried believers Divorce and remarriage And current controversies surrounding premarital sex and same sex marriage Though the book is academically

and theologically informed it is written with a pastoral heart It seeks to provide a rich resource for pastors and counselors on a topic of supreme importance to a vibrant church and society
