The Future Of Philosophical Theology:

The future of philosophical theology, ed Consultation on the Future of Philosophical theology, McCormick Theological Seminary, 1970, Robert A. Evans, **The Future of Philosophical Theology** Robert A. Evans, 1971 **The Future of Philosophy** Oliver Leaman, 2002-04-12 Where is philosophy going Are we entering a post philosophy millenium The Future of Philosophy presents the notion of what the future of philosophy is as a crucial concept since it allows us to speculate not only on the future but also on the past Eleven clear and concise essays consider a variety of issues from ethics to mind language to feminist thought postmodernism to religion the future of philosophy the history of ancient philosophy the history of modern philosophy ethics political philosophy philosophy of the postmodern applied philosophy feminist philosophy philosophy of religion philosophy of language philosophy of mind For those curious to explore the intellectual themes of the future The Future of Philosophy will be a fascinating and insightful read [A Philosophical Theology of the Old Testament](#) Jaco Gericke, 2020-01-08 Are we able to identify and compare the philosophical perspectives and questions that must be postulated as having been somehow present in the language ideas and worldviews of the Biblical authors This book sets out an approach to something that has been generally considered impossible a philosophical theology of the Old Testament It demonstrates and addresses the neglect of a descriptive and comparative philosophical clarification of concepts in Old Testament theology and in so doing treads new ground in Biblical studies and philosophical theology Recognizing the obvious problems with and objections to any form of interdisciplinary research combining philosophical and Biblical theology this study presents itself as introductory and experimental in nature The methodology opted for is limited to a philosophical clarification of concepts already found in Old Testament theology while the findings are presented via the popular thematic approach found in analytic philosophical theologies with no attempted justification or critique of the textual contents under investigation These approaches are combined by primarily looking at the nature of Yahweh in the Old Testament This book offers a new vision of Biblical and philosophical theology that brings them closer together in order that we might understand both more broadly and deeply As such it will be vital reading for scholars of Theology Biblical Studies and Philosophy [The Future of Continental Philosophy of Religion](#) Clayton Crockett, B. Keith Putt, Jeffrey W. Robbins, 2014-06-26 What is the future of Continental philosophy of religion These forward looking essays address the new thinkers and movements that have gained prominence since the generation of Derrida Deleuze Foucault and Levinas and how they will reshape Continental philosophy of religion in the years to come They look at the ways concepts such as liberation sovereignty and post colonialism have engaged this new generation with political theology and the new pathways of thought that have opened in the wake of speculative realism and recent findings in neuroscience and evolutionary psychology Readers will discover new directions in this challenging and important area of philosophical inquiry [The Future of Philosophical Theology. Edited by Robert A. Evans](#) Robert A. EVANS (of McKormick Theological Seminary.), 1971 [The Future of the Philosophy of Religion](#) M. David

Eckel, C. Allen Speight, Troy DuJardin, 2020-10-12 This collection of essays on the philosophy of religion and its future brings together accomplished thinkers across several related fields from comparative philosophy to analytic and continental philosophy of religion and beyond Contributing authors address pressing questions including Where does philosophy stand in relation to religion and the study of religion in the 21st century How ought the philosophy of religion to interact with religious studies and theology to make for fruitful interdisciplinary engagement And what does philosophy uniquely have to offer to the broad discourse on religion in the modern world Through exploring these questions and more the authors goal is not that of meeting the philosophical future but of forging it Readers will enter a vivid conversation through engaging essays which demonstrate the importance of disciplinary openness and show that we do not need to sacrifice depth in order to achieve breadth Modernity and postmodernity come together in a constantly evolving discussion that moves the philosophy of religion forward while keeping an eye toward the experience accumulated in past centuries This book will interest students of philosophy theology religious studies and other fields that wonder about the place of philosophy and religion in today s world It also has much to offer advanced scholars in these fields through its breadth and forward thinking

New Directions in Philosophical Theology Gavin Hyman, 2018-01-18 At the beginning of a new

millennium philosophical theology has become more contested than ever before The appearance of non realist theologies postmodern theologies and the theology of radical orthodoxy has provoked a vibrant debate about the nature of theology itself In what new directions should theology be moving in the wake of the end of modernity For over thirty years Don Cupitt has been provoking theologians to reconsider the nature of their discipline Taking their inspiration from his work and writing in his honour on the occasion of his 70th birthday some of the leading figures in the contemporary theological scene address urgent questions facing theology today and in doing so exemplify the methodological diversity which characterises the contemporary field

The Future of Political Theology Péter Losonczi, Mika Luoma-aho, Aakash Singh, 2016-03-16 Recent shifts in the contemporary cultural political and religious landscape are engendering intensive attention concerning political theology New trends and traditional ideas equally colour these movements Given that a medley of recent books and articles have exhaustively treated both the history and the current resurgence of political theology we now find ourselves faced with the task of reinventing and redefining the future of political theology This book presents a rich overview of fresh contemporary theoretical approaches uniquely prioritizing the prospects of the future of political theology but also making room for significant interventions from philosophy and political theory Including prominent essays on Judaic Islamic Buddhist and Christian perspectives this book balances elements from post modern theology with more classical as well as anti post modern approaches
