The Game Beyond:

The Game Beyond Melissa Scott, 2018-07-13 A star flung empire the prize in a deadly war of succession The Silvertree Empress is dead the last of her line The heir named in her will is an impossibility her favorite Keira Renault member of a family deposed and disgraced generations before the man she claimed as the power behind her throne As the Empire's notables jockey for position behind the various claimants Keira must defeat his rivals in simulation and reality and somehow hold the factions together long enough for the Empire to survive

Total Softball, the Game Beyond the Game Paul Victor, 2018-09-04 For Big Lou's Gentlemen's Club softball was more than running around in dirt and grass This crazy band of misfits had to defeat the three time champs The Animals They couldn't do it playing straight up softball They needed an edge an edge that included exploding dogs half of a dead horse and a shootout with a car The Animals were not going to surrender their crown easily

Beyond Material Davorin Kuljasevic, 2019-09-20 Giving up material is one of the most difficult decisions a chess player has to take But the reality is that winning a game very often requires you to make that choice The nagging question is always what about my compensation The old school used to relate compensation to correctness A sacrifice was correct if the material was swiftly returned if possible with interest Generations of chess players spent lots of time counting quantifying the static value of their pieces almost by reflex In this book Grandmaster Davorin Kuljasevic teaches you how to look beyond the material balance when you evaluate positions With many instructive fragments he shows how the actual value of your pieces fluctuates during the game depending on many non material factors Some of those factors are space related such as mobility harmony outposts weaknesses structures squares files and diagonals Other factors are related to time and to the way the moves unfold tempo initiative a threat an attack Modern club players need to be able to suppress their need for immediate gratification In order to gain the upper hand you often have to live with uncertain compensation With the help of many fascinating examples Kuljasevic teaches you the essential skill of taking calculated risks After studying Beyond Material winning games by sacrificing material will become second nature to you

281 and Beyond VVS Laxman, 2023-05-29 It never occurred to me to just play it safe and get to where no Indian had gotten before a Test triple century Do I regret reaching for the ball well outside off from McGrath that I spooned to point Do I feel I should have batted out that one hour at my disposal and ticked o_

the 25 needed to get to the Promised Land No and no I have never played my cricket that way The individual milestone would have been terrific but if I were to get the chance to replay that day I would do exactly the same I walked off the park immensely satisfied I hadn't missed out on 300 by 19 runs I had made 281 and put the team in a position from where we could expect to pull off a win against all odds Isn't that what you play the game for A stylish batsman who could score against any kind of bowling VVS Laxman played over a hundred Tests to aggregate more than 8000 runs Cricket fans still remember with awe his game changing knock of 281 against Australia in 2001 at Eden Gardens But playing for India was never easy and despite his vast experience and unimpeachable skill he never made it to a World Cup team All through his playing years Laxman was known to be a soft spoken man who kept his distance from controversy Which is what makes this autobiography truly special It's candid and reflective happy and sad by turns He writes of dressing room meltdowns and champagne evenings the exhilaration of playing with and against the best in the world the learnings with John Wright and the rocky times under Greg Chappell In 281 and Beyond Laxman lays bare the ecstasy and the trauma of being one of the chosen XI in a country that is devoted to cricket

Beyond a Boundary Cyril Lionel Robert James, 1993 In C L R James's classic Beyond a Boundary the sport is cricket and the scene is the colonial West Indies Always eloquent and provocative James the black Plato as coined by the London Times shows us how in the rituals of performance and conflict on the field we are watching not just prowess but politics and psychology at play Part memoir of a boyhood in a black colony by one of the founding fathers of African nationalism part passionate celebration of an unusual and unexpected game Beyond a Boundary raises in a warm and witty voice serious questions about race class politics and the facts of colonial oppression Originally published in England in 1963 and in the United States twenty years later Pantheon 1983 this second American edition brings back into print this prophetic statement on race and sport in society
