The Highly Precious Gate Of The Divine Intuition:

Theosopia, Or the Highly Precious Gate of the Divine Intuition Jacob Boehme, 1989-09-01 *Reclaiming the Tacit Dimension* George Kalamaras, 1994-03-31 This book examines Eastern philosophies of meditative silence in the context of Western rhetoric and discourse theory arguing that silence is an authentic mode of knowing Rather than an emptiness that is nihilistic the void of meditative silence is according to the author a fullness in which meaning occurs Kalamaras calls for a rethinking of the implications of such a concept of silence on contemporary theories of composition and the teaching of writing Theo-Monistic Mysticism M. Stoeber, 1994-04-05 In response to some of the current explanations of mystic phenomena this book proposes an interpretive framework for understanding mysticism It clarifies various kinds of mystical experiences suggesting they are not wholly determined by subjective categories of interpretation and illustrates how they can be synthesised in a theistic mystic teleology In reference to Ramanuja Aurobinodo Sankara Eckhart Ruusbroec and Boehme monistic experiences are understood to culminate in higher theistic realizations to which other kinds of mysticism can also be related *Six Theosophic Points and Other Writings* Jakob Böhme, 1919 **Evil and the Mystics' God** Michael Stoeber, 1992-06-18 Certain mystics provocatively respond to the challenges which evil poses to their religious beliefs This book develops the structure of the mystical response to evil together drawing upon the work of Eckhart Boehme Dostoevsky Sankara Ghose and Underhill **The Publishers' Circular and Booksellers' Record** , 1919 The Aryan Path , 1947 *The Publisher* , 1919 **Aryan Path** , 1947 **Awaken Your Divine Intuition** Susan Shumsky, 2016-02-22 Deep within the heart of every soul is the desire to experience and communicate directly with Spirit The divine presence is not the exclusive property of great saints sages or holy men Everyone is worthy to receive the blessings of Spirit In this profound practical transformational book you will learn proven techniques to open your heart mind and spirit to the riches of inner divine contact You will open the pipeline to the divine and begin the flow of inner guidance love healing wisdom and inspiration from your center of being You will awaken the still small voice within go directly to Spirit without a middleman and experience higher consciousness Awaken Your Divine Intuition along with the included link to an online meditation will help you Tap into your in house counselor your inner guidance and inner genius Receive unique signals that identify specific aspects of inner divinity Get divine messages and inner guidance and test whether they are real Awaken your clairvoyant clairaudient and clairsentient gifts Experience radiant light supernal love and spiritual grace Heal ego blockages that have inhibited your intuition Experience the divine presence anytime you want Never be alone again
