The History Of Freemasonry Its Legendary Origins:

The History of Freemasonry Albert Gallatin Mackey, 2012-03-07 Written by an expert on the craft this classic traces Freemasonry's origins from biblical times to its practice among America's founding fathers. It also explores philosophical, symbolic, and ritual traditions.

History of Freemasonry Albert Gallatin Mackey, 2009-09 The Fraternal Order of Free and Accepted Masons or Freemasons is one of the oldest institutions in the world. This book tells of the history and traditions both legendary and documented of that august organization. Mackey recounts the various stories that explore Freemasonry's origins ranging from its beginnings with Abraham the Old Testament patriarch to the builders of the Tower of Babel and the Temple of Jerusalem, then moves into more substantially documented history from the Halliwell poem first published in 1390 to the involvement of America's founding fathers in the late 18th century. Illustrates how throughout their history the Masons remained dedicated to the principles of brotherly love, charity, and the search for truth.

The History of Freemasonry: Its Legends and Traditions, Its Chronological History Volume 5 Albert Gallatin Mackey, 2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book without typos from the publisher. Not indexed. Not illustrated. 1906 edition. Excerpt and sometimes even in adjacent Chapters when there was no positive and generally recognized principles of Masonic law and no authority to which to appeal for the settlement of controversies in ritual or in custom and when we view the uniformity which now prevails in all parts of the country which is undoubtedly owing to the weight and influence of the General Grand Chapter as a well organized head it can not be denied that all American Royal Arch Masons owe a debt of gratitude to the founders of that institution which thus wisely brought order out of chaos. It is not worth while to extend this history beyond the period at which we have arrived. From the year 1826 the General Grand Chapter now placed on a stable foundation has continued to meet triennially at different cities of the United States. There has been but one interruption to this continuity. In 1862 a civil war then dividing the country into two hostile sections so that there was a military impossibility for the convocation to be held at the appointed place which was Memphis in Tennessee the General Grand High Priest Albert G. Mackey suspended the meeting until the restoration of peace and by his proclamation the session was held at Columbus O in 1865. The session lasted but one day when it adjourned to meet in the same place and on the next day in a new triennial session. Its jurisdiction now extends over the whole of the United States embracing all the Grand Chapters except those of Pennsylvania and Virginia which have never entered into the confederation and Texas which withdrew during the war 1861-65 and has never reunited. The following list of all the Presiding officers of the body since its organization will be of interest as an historical document.

Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded *The Western Esoteric Traditions* Nicholas Goodrick-Clarke, 2008-10-14 This introduction to the Western esoteric traditions offers a concise overview of their historical development The author explores these traditions from their roots in Hermeticism Neo Platonism and Gnosticism in the early Christian era up to their reverberations in modern day s scientific paradigms *The Romance of Sorcery* Sax Rohmer, 2015-03-18 An intriguing tour of the dark arts throughout the ages introduces such luminaries as Nostradamus Dr John Dee Cagliostro and Madame Blavatsky Engaging and informative history encompassing astrology alchemy witchcraft and demonology Wagner, the Wehr-Wolf George W.M.
