Wisdom's House, Heaven's Gate Teresa Shawcross,2024-09-14 Taking as its starting point an investigation into the physical topography and symbolism of the two cities of Athens and Jerusalem this book offers a cultural history of the rival superpowers the Byzantine Empire and Fatimid Caliphate that between them dominated the Mediterranean world during the Central Middle Ages It shows that the destruction of the Church of the Holy Sepulchre in Jerusalem on the orders of al Hakim punctuated a century of heightened interaction resulting from changing patterns of warfare trade and pilgrimage Resettlement of both Christians and Muslims from Syria Palestine in Asia Minor and the Balkans introduced these migrants host culture to new forms of religious and artistic expression In Hellas a flurry of building projects reinvented Athens as a New Jerusalem and the Parthenon as a New Temple The Acropolis became famous for its miraculous lamp and elaborate liturgy The clergy who performed the sacred mysteries justified them with reference to concepts of hierarchy illumination and divinisation These concepts were derived from a philosophical tradition over whose ownership the two superpowers competed The resulting political theology was the creation of male intellectuals but female patrons and worshippers also had an impact In the House of My Pilgrimage Donald Sheehan,2023-09-19 Don Sheehan's early life plagued by his father's alcoholic violence was at the same time blessed by the good stories this intelligent man read aloud to his children In his teens unhappy in school Don joined a street gang and then the Army Reserves where he found he had renounced violence On his eighteenth birthday happening upon his post library he walked straight to a book of Japanese poems It went in turn straight to his heart for eight hours He'd come home at last The house of Don's pilgrimage encompasses a wide territory spiritual lyric scholarly usually all at once At our best what we can take from engaging these essays is a way of falling into the heart to embrace suffer and in Christ transfigure the world's ruining oppositions In doing so we fulfill what St Maximus the Confessor saw as our human calling to unify the polarities embedded in God's creation and thus make not only ourselves but all Creation whole **Nourishment for the Spiritual Pilgrimage** Vernon T. Jones,2017-02-16 In the morning while it was still very dark he got up and went out to a deserted place and there he prayed Mark 1:35 Jesus taught by his words and actions He went by himself to pray when he was tired when faced with upcoming trying events or when he just wanted to be

alone in the presence of his Lord He gave us guidance about what to pray how to pray and why to pray and was very familiar with the Hebrew Scriptures Thus if we want to become Jesus disciple we should follow his model and invest time and emotional energy into prayer Bible study and reflection Nourishment For The Spiritual Pilgrimage provides an aid for those who want to participate in the spiritual pilgrimage of becoming a lifelong disciple of Jesus Christ It offers insight and support for those who daily want to turn their hearts souls and minds to God s will in their lives as they strive to help in bringing about God s kingdom in this present time There are countless other devotionals but hopefully this can offer something that many of the others may not a specific focus on the concept of discipleship
