The Howards Of Virginia:

The Founders of Anne Arundel and Howard Counties, Maryland Joshua Dorsey Warfield,1905 **The Armistead Family** Virginia Armistead Garber,1910 The search of data and incidents relating to the Armistead family has necessitated a great deal of reading besides literal digging into the records of various counties and the Land Office deciphering old tombstones and visiting the sites of old homes and original grants The drudgery the weariness of it all is forgotten but the charm and romance of those early days linger with us like some tender bewitching dream that we would fane keep fresh in the memory of those of the family who may not have the same opportunity for the study of Virginia s Colonial history

Office of Education,1942 **George Washington on Screen** Leigh Ehlers Telotte,2023-07-17 One of the most moving narratives from the American Revolution is the first presidential administration and the many precedents set by George Washington While media historians have extensively analyzed screen portrayals of the more sensational events of America in the 1750s to the 1790s far less attention has been paid to portrayals of the first presidency and the character of George Washington in film television and other formats This book addresses that gap by providing the most comprehensive analysis of the character of George Washington on screen Divided into two parts the book begins with an analysis of how the Washington character has evolved through time and screen media from early silent films to modern multimedia products In Part II a filmography documents each piece of screen media that features a representation of Washington It includes silent films theatrical films cartoons television and screen media from the 21st century such as streaming video games and multimedia presentations Arranged alphabetically each entry includes format type production details crew and cast lists and a brief description of Washington s character in relation to the plot In All Sincerity, Peter Cushing Christopher Gullo,2004-08-05 In All Sincerity Peter Cushing by Christopher Gullo with a foreword by Peter Sasdy In All SincerityPeter Cushing is a new book examining the career of the gentle man of horror In a career spanning six decades and many mediums including film television theatre radio and writing Peter Cushing has been hailed as a consummate actor who was loved by both fans and co workers alike Whether through his early days touring with Laurence Olivier becoming Englands first television star recreating the characters of Baron Frankenstein and Abraham Van Helsing for Hammer Films or appearing in Star Wars the most famous science fiction film ever produced Peter Cushing exemplified dignity preparedness and dedication to his craft Four years in the making In All SincerityPeter Cushing breaks down the actors career into decades from his very beginnings in local theatre his stint in Hollywood and his rise to fame as the king of horror and beyond Over eighty actors actresses and directors have contributed to the book including Val Guest Robert Quarry Francis Matthews Brian Cox Forrest J Ackerman Yvonne Monlaur Mark Hamill John Carpenter Ted Newsom Caroline Munro and the late Sir Nigel Hawthorne
