**The Future Call** Adrian Ferruelo, The Future Call A Conversation Across Time When 30 year old Emma finds an old rotary phone in her attic she never expects it to ring let alone to hear her own voice on the other end The caller claims to be Emma from ten years in the future and she has a warning the choices Emma makes today will shape a future she may not want to face As Emma navigates this bizarre connection she must grapple with the ethical dilemmas of altering her destiny But the more she tries to change the future the more she realizes that some things are beyond her control The Future Call is a gripping and thought provoking exploration of fate free will and the power of human connection Perfect for fans of The Time Traveler s Wife and Dark this novel will keep you questioning the nature of time and identity until the very last page
