

Utopian v. Dystopian Literature

- What does the word *utopia* mean?
- In as a literary genre, utopian literature refers to a detailed description of a nation or commonwealth ordered according to a system which the author proposes as a better way of life than any known to exist, a system that could be instituted if the present one could be cancelled and people could start over.
- Sometimes utopias are created to satirize existing societies, or simply to speculate about what life might be like under different conditions.
- Utopian works typically sketch a future in which technology improves the everyday life of human beings and advances civilization

Sir Thomas More
Coined the phrase 'utopia' in 1516

The Future Commonwealth Albert Chavannes,1892 **The Cambridge Companion to Utopian Literature** Gregory Claeys,2010-08-05 Using a combination of historical and thematic approaches this volume engages with the fascinating and complex genre of utopian literature Utopian Literature Glenn Negley,1977 **The future commonwealth** Albert Chavannes,1971 *The Cambridge Companion to American Utopian Literature and Culture since 1945* Sherryl Vint,2024-05-16 Provides an overview of ways that utopian thinking has shaped American culture focusing on the need to remake imperial USA **British and American Utopian Literature, 1516-1985** Lyman Tower Sargent,1988 Utopian Literature in the Pennsylvania State University Libraries Arthur Orcutt Lewis,1984 **British and American Utopian Literature, 1516-1975** Lyman Tower Sargent,1979 **Russomania** Rebecca Beasley,2020-03-31 Russomania Russian Culture and the Creation of British Modernism provides a new account of modernist literature s emergence in Britain British writers played a central role in the dissemination of Russian literature and culture during the early twentieth century and their writing was transformed by the encounter This study restores the thick history of that moment by analyzing networks of dissemination and reception to recover the role of neglected as well as canonical figures and institutions as well as individuals The dominant account of British modernism privileges a Francophile genealogy but the turn of the century debate about the future of British writing was a triangular debate a debate not only between French and English models but between French English and Russian models Francophile modernists associated Russian literature especially the Tolstoyan novel with an uncritical immersion in life at the expense of a mastery of style and while individual works might be admired Russian literature as a whole was represented as a dangerous model for British writing This supposed danger was closely bound up with the politics of the period and this book investigates how Russian culture was deployed in the close relationships between writers editors and politicians who made up the early twentieth century intellectual class the British intelligentsia Russomania argues that the most significant impact of Russian culture is not to be found in stylistic borrowings between canonical authors but in the shaping of the major intellectual questions of the period the relation between language and action writer and audience and the work of art and lived experience The resulting account brings an occluded genealogy of early modernism to the fore with a different arrangement of protagonists different critical values and stronger lines of connection to the realist experiments of the Victorian past and the anti formalism and revived romanticism of the 1930s and 1940s future *Lacan, Foucault, and the Malleable Subject in Early Modern English Utopian Literature* Dan Mills,2020-02-13 Theoretically informed scholarship on early modern English utopian literature has largely focused on Marxist interpretation of these texts in an attempt to characterize them as proto Marxist The present volume instead focuses on subjectivity in early modern English utopian writing by using these texts as case studies to explore intersections of the thought of Jacques Lacan and Michel Foucault Both Lacan and Foucault moved back and forth between structuralist and post

structuralist intellectual trends and ultimately both defy strict categorization into either camp Although numerous studies have appeared that compare Lacan's and Foucault's thought there have been relatively few applications of their thought together onto literature By applying the thought of both theorists who were not literary critics to readings of early modern English utopian literature this study will on the one hand describe the formation of utopian subjectivity that is both psychoanalytically Oedipal and pre Oedipal and socially constructed and on the other hand demonstrate new ways in which the thought of Lacan and Foucault inform and complement each other when applied to literary texts The utopian subject is a malleable subject a subject whose linguistic psychoanalytical subjectivity determines the extent to which environmental and social factors manifest in an identity that moves among Lacan's Symbolic Imaginary and Real
