important of the problems This book includes forty four plates providing a good selection of illustrative materials and the author in choosing the plates has preferred to use the less accessible manuscripts **The Dead Sea Scrolls in English** ,1995-11-01 This significantly expanded and revised fourth edition of what has always been the best English translation of the Scrolls has become a combination of two books Vermes has replaced nearly all of the original Introduction with an abridged version of the corresponding material from *The Dead Sea Scrolls Qumran in Perspective* He has also added new translations of material that has been published since the last edition appeared in 1975 By far still the best edition of the scrolls in English James R Mueller Religious Studies Review The Dead Sea Scrolls Cecil Roth,1965 First published in London in 1958 under title *The historical background of the Dead Sea scrolls* Bibliographical references included in footnotes
