The Hormone Jungle:

The Hormone Jungle Robert Reed, 2014-11-18 From Hugo Award winning author Robert Reed Set 2 000 years in the future THE HORMONE JUNGLE tells the story of hunters and the hunted fighting on an overcrowded terraformed Earth inhabited by trillions of lifeforms some human some robotic some cybernetic Chiffon is an android Flower a courtesan created to give pleasure Trying to escape her crimelord master Dirk in the steamy equatorial city of Brul she enlists the help of Steward a warrior and troubleshooter for hire But Steward doesn't know there's more to Chiffon than meets the eye

Hormone Jungle Brod Bagert, 2013 The album debut for Quentin Dupieux may not have received worldwide distribution had it not been for its most publicized track the notorious Levi's advert and crossover hit named Flat Beat But it's doubtful Dupieux will turn into a one hit wonder and if he does there's always his directing career since Analog Worms Attack is an inventive album that somehow marries the experimental side of techno Cristian Vogel Laurent Garnier with the outrageous flair of novelty tracks usually seen on well television commercials Even including Flat Beat which was wisely added only as a bonus track the highlights are Monophonic Shit and No Day Massacre two tracks that blend surprisingly deep grooves and oddball effects It's not so much a sense of humor that Dupieux displays here it's closer to the playful side of quasi pop electronica fashioned by Mouse on Mars and Like a Tim Fans of the trademarked Flat Beat sound will find much to love as well Smoking Tape and Flat 55 are most similar to the hit making Analog Worms Attack a left field treat for both pop culture seekers and genuine music fans John Bush
