**The House in the Woods** Zoe Miller, 2021-10-14 Shimmers with suspense and intrigue from the very first page If you enjoy novels by Adele Parks Clare Mackintosh and Lisa Jewell this book is for you Sunday Independent Packed with memorable and superbly drawn characters this engaging mystery copperfastens Zoe Miller's mastery of the art of sinuous plotting Irish Independent When actress Evie Lawrence is injured in a shocking hit and run accident she wants nothing more than to retreat to her woodland home in Wicklow to recover But when she's forced to admit that she needs help she reluctantly opens up her solitary life to allow her grand niece Amber practically a stranger to move into Heronbrook to take care of her Evie who has been estranged from her sister's family for many years vows to keep Amber at a distance so her secrets and the truth of what happened at Heronbrook years ago stay buried Amber is initially preoccupied with the recent implosion of both her career and her love life the details of which she's keeping to herself but soon becomes very curious about the rift in her family And when unsettling incidents begin to make Evie's secluded home feel less peaceful and more dangerously isolated Amber starts to suspect that what happened to Evie wasn't an accident at all and the person responsible still has Evie in their sights But can Amber persuade Evie to confront the past and get to the truth before it's too late

*Diving into The Heart of The House of Ravenbrook* Richard Ravenbrook, 2025-06-14 Welcome to the enchanting world of Ravenbrook where ancient wisdom intertwines with modern spirituality offering an invitation to explore the depths of the self and the universe As we embark on this journey together it's essential to immerse ourselves in the fundamentals that shape the Ravenbrook tradition What does it mean to embrace such a path How can one practice spirituality within a framework that honors many truths while still fostering a sense of community and inclusiveness Let's dive in Imagine a quaint village nestled within the serene embrace of nature lush emerald forests surrounding it a gentle brook meandering through the heart and a sense of calm pervading every cobblestone street This is Ravenbrook a place not simply defined by geography but enriched with layers of history culture and diverse spiritual philosophies The villagers each with their unique stories and beliefs contribute to an ever evolving narrative that emphasizes there is no singular path to the divine Instead they practice an omnist tradition valuing each experience each insight within a tapestry of spirituality      *The House Where the Hardest Things Happened* Kate Young Caley, 2002-07-23 Fusing an intimate memoir with an outspoken critique of organized religion's failure to welcome all into its community *The House Where the Hardest Things Happened* is the moving story of one woman's search for a sense of belonging Growing up in a small town in New Hampshire Kate Young Caley attends a strong community church where everyone is treated like family members selflessly help one another and all the kids are made to feel special Then suddenly everything changes Her father is hospitalized for many months and her mother is forced to take a job as a waitress to support the family But the job requires Kate's mother to serve alcohol which goes against the church's covenant

and the family banned from attending services soon finds itself emotionally ostracized from the community In *The House Where the Hardest Things Happened* Caley recounts the hurt and confusion she felt as a young girl and her long search for a religious community that would comfort her spiritually support her emotionally and respect her intellectual ideals As she chronicles her journey she candidly discusses her problems with the way the Christian faith is expressed and with the people who lay claim to it Her exploration of religious teachings on homosexuality is especially powerful as she explains why she is unwilling and unable to deny the love she has for her gay brother At once the story of a family profoundly transformed by tragedy and an incisive exploration of the meaning of spirituality *The House Where the Hardest Things Happened* will appeal to readers of Joyce Carol Oates's *We Were the Mulvaney's* and Anne Lamott's *Traveling Mercies* Beautifully written it brings to life Caley's inspiring determination to reclaim her right to practice her beliefs the most basic human right of all

Dalzell, Lee Baldwin Dalzell, 2013-08-13 What it was like to be as rich as Rockefeller How a house gave shape and meaning to three generations of an iconic American family One hundred years ago America's richest man established a dynastic seat the granite clad Kykuit high above the Hudson River Though George Vanderbilt's 255 room Biltmore had recently put the American country house on the money map John D Rockefeller who detested ostentation had something simple in mind at least until his son John Jr and his charming wife Abby injected a spirit of noblesse oblige into the equation Built to honor the senior Rockefeller the house would also become the place above all others that anchored the family's memories There could never be a better picture of the Rockefellers and their ambitions for the enormous fortune Senior had settled upon them The authors take us inside the house and the family to observe a century of building and rebuilding the ebb and flow of events and family feelings the architecture and furnishings the art and the gardens A complex saga *The House the Rockefellers Built* is alive with surprising twists and turns that reveal the tastes of a large family often sharply at odds with one another about the fortune the house symbolized *The House in the Cul-De-Sac* Bernice Gottlieb, 2018-04-19 Chuck Ellison has gone missing There's no sign of him anywhere and the police are baffled and fearful of ending up with a cold case Maggie Mitty a realtor in the upscale village of Hudson Hills seems to know more about his whereabouts than anyone else and she quickly becomes a suspect in his disappearance because of it George MacDuffie the owner of a historical house and his sister Bernadette who just emigrated from Scotland to take care of her aging older brother are Maggie's next door neighbors and they have just hired a mysterious young man named Tavis Connor from Edinburgh to be the caretaker of their property Everyone seems to have a motive for murder Maggie a history buff is obsessed with the MacDuffies mansion because it was once a station in the Underground Railroad and had a tunnel that

helped slaves take refuge in while waiting for ships to take them to Canada and to freedom She offers to help Chief Betsy the new police chief in Hudson Hills and shares the first important clue in the investigation with her The suspense is riveting and the book is hard to put down until Chuck is finally found
