The House Of Exorcism Lisa And The Devil:

Sleaze Artists Jeffrey Sconce, 2007-10-24 Collection of essays on the impact that non mainstream and middlebrow film genres have had on popular culture including sexploitation horror cult XXX and indie films Possessed Women, Haunted States Christopher J. Olson, Carrie Lynn D. Reinhard, 2016-11-02 Since the release of *The Exorcist* in 1973 there has been a surge of movies depicting young women becoming possessed by a demonic force that only male religious figures can exorcise thereby saving the women from eventual damnation This book considers this history of exorcism cinema by analyzing how the traditional exorcism narrative established in *The Exorcist* recurs across the exorcism subgenre to represent the effects of demonic possession and ritual exorcism This traditional exorcism narrative often functions as the central plot of the exorcism film with only the rare film deviating from this structure The analysis presented in this book considers how exorcism films reflect reinforce or challenge this traditional exorcism narrative Using various cultural and critical theories this book examines how representations of possession and exorcism reflect reinforce or challenge prevailing social cultural and historical views of women minorities and homosexuals In particular exorcism films appear to explore tensions or fears regarding empowered and sexually active women and frequently reinforce the belief that such individuals need to be subjugated and disempowered so that they no longer pose a threat to those around them Even more recent films produced after the emergence of third wave feminism typically reflect this concern about women Very rarely do exorcism films present empowered women and feminine sexuality as non threatening In examining this subgenre of horror films this book looks at films that have not received much critical scrutiny regarding the messages they contain and how they relate to and comment upon the historical periods in which they were produced and initially received Given the results of this analysis this book concludes on the necessity to examine how possession and exorcism are portrayed in popular culture **Extreme Cinema** Mattias Frey, 2016-03-15 Received an Honorable Mention for the 2017 British Association of Film Television and Screen Studies BAFTSS Best Monograph Award From *Shortbus* to *Shame* and from *Oldboy* to *Irreversible* film festival premieres regularly make international headlines for their shockingly graphic depictions of sex and violence Film critics and scholars alike often regard these movies as the work of visionary auteurs hailing directors like Michael Haneke and Lars von Trier as heirs to a tradition of transgressive art In this provocative new book Mattias Frey offers a very different perspective on these films exposing how they are also calculated products designed to achieve global notoriety in a competitive marketplace Paying close attention to the discourses employed by film critics distributors and filmmakers themselves *Extreme Cinema* examines the various tightropes that must be walked when selling transgressive art films to discerning audiences distinguishing them from generic horror pornography and Hollywood product while simultaneously hyping their salacious content Deftly tracing the links between the local and the global Frey also shows how the directors and distributors of extreme art house fare from both Europe and East Asia have significant incentives to exaggerate the exotic elements that

would differentiate them from Anglo American product Extreme Cinema also includes original interviews with the programmers of several leading international film festivals and with niche distributors and exhibitors giving readers a revealing look at how these institutions enjoy a symbiotic relationship with the taboo breakers of art house cinema Frey also demonstrates how these apparently transgressive films actually operate within a strict set of codes and conventions carefully calibrated to perpetuate a media industry that fuels itself on provocation **The Devil on Screen** Charles P.
