The Girl With A Watering Can:

The Girl with a Watering Can Ewa Zadrzynska, 1990 The little girl in Pierre Auguste Renoir's famous painting decides to leave her painting and visit the others in the museum **Make Van Gogh's Bed** Julie Appel, Amy Guglielmo, 2006 Invites young readers to touch Impressionist and other nineteenth century paintings including Van Gogh's *Starry Night* Degas's *Etoile* and Morisot's *The Cradle* On board pages **Belonging and Betrayal** Charles Dellheim, 2021-09-21 The old masters new masters Was modernism Jewish In the middle To have and have not **Spin Between Never and Ever** Shannon C. Flynn, 2010-10-26 I hunched at my school desk seventeen and slipping into an abyss whose shadow I had barely glimpsed before My left hand shook with free associations in a spatter of words that galloped through my head and outside the margins of lined notebook paper Dark its so dark like it was night even though its 8 00 in the morning Warning Everythings going to fall fall apart my heart will break and take away everything my mind is fading fast fast vast emptiness oh help the universe is coming to get me I whirled and then faded dead inside into a suffocating fog Speaking of dead that was all I wanted Well it wasn't that I wanted to die I had to I needed to escape the tumult that was exhausting my emotional and physical resources And I had to die because I deserved to because I was evil I knew that I had transformed absolutely into a rotten core I had recently discovered this one horrifying night when it became clear as I raced around my bedroom that I was the reincarnation of Judas Iscariot betrayer of Jesus And I would plunge to Hell like he had so why shouldn't I kill myself now to get it over with Especially since I only burdened everyone around me My family and friends would rejoice once I was dead These thoughts progressed to the point that I could no longer touch anyone in order that I not contaminate them with my toxic essence Then I could no longer allow my fingers or limbs to touch each other because somehow this was evil too Soon God no longer permitted me to eat or sleep because I was such a monstrosity I stopped showering and changing clothes almost stopped speaking No longer able to attend high school I shrunk my days to mere huddling on a chair in our living room guarded by my parents and siblings in shifts Every moment I could snatch to myself I punched holes in my wrist with a safety pin hidden in my sleeve One afternoon left alone for a minute I crept furtively to the top of the second floor flight of stairs about to hurl myself down them until I was discovered and tugged back downstairs held tightly by the hand Finally my mind and body were so clamped down by dark gravity that I was no longer able to hurt myself One day I simply goggled at the unfamiliar face in our cold bathroom mirror Who is that Im not me anymore Im an alien I decided Someone or something has stolen my identity and taken me over Well it can have me I surrender because I am worth nothing anyway So nothing matters I certainly don't matter During those gray hours days and months my mind cramped into nothing but ruminations of worthlessness and I didn't matter to myself at all Luckily of course to my parents and brothers and sisters I did matter very much Even if they puzzled over what was happening to me as much as I did they intuited my distress and incapacitization and got me help My family brought me to a psychiatric hospital where I stayed for a month I was diagnosed with depression

with psychotic features and given antidepressants and an antipsychotic While in the hospital I discovered art therapy and painted surreal abstracts and wrote long narrative poems about my depression and recovery And recover I did into the blessed contentment of feeling like myself again a brighter happier self at that Now armed with a name for what ailed me I consumed volumes about depression and bipolar disorder I devoured books and articles about psychotropic medications and art therapy and theories of psychiatric rehabilitation and mood charting and the consumer movement I discovered Kay Redfield Jamison Ph D who became a role model and pored over her memoir *An Unquiet Mind* and *Manic Depressive Illness* the authoritative text on bipolar disorder that Jamison wrote with Frederick Goodwin MD I involved myself with one of the nations leading mental health advocacy organizations the National Alliance on Mental Illness abbreviated as NAMI and later assumed a lead

British Hymn Books for Children, 1800-1900 Alisa Clapp-Itnyre, 2016-09-17 Examining nineteenth century British hymns for children Alisa Clapp-Itnyre argues that the unique qualities of children's hymnody created a space for children's empowerment Unlike other literature of the era hymn books were often compilations of many writers hymns presenting the discerning child with a multitude of perspectives on religion and childhood In addition the agency afforded children as singers meant that they were actively engaged with the text music and pictures of their hymnals Clapp-Itnyre charts the history of children's hymn book publications from early to late nineteenth century considering major denominational movements the importance of musical tonality as it affected the popularity of hymns to both adults and children and children's reformation of adult society provided by such genres as missionary and temperance hymns While hymn books appear to distinguish the child from the adult intricate issues of theology and poetry typically kept within the domain of adulthood were purposely conveyed to those of younger years and comprehension Ultimately Clapp-Itnyre shows how children's hymns complicate our understanding of the child-adult binary traditionally seen to be a hallmark of Victorian society Intersecting with major aesthetic movements of the period from the peaking of Victorian hymnody to the Golden Age of Illustration children's hymn books require scholarly attention to deepen our understanding of the complex aesthetic network for children and adults Informed by extensive archival research *British Hymn Books for Children 1800-1900* brings this understudied genre of Victorian culture to critical light
