The God Box:

The God Box Barry Longyear, 2016-04-12 A less than honest merchant in the Iskandar market inherits a little box that will give him anything he needs which is not always what he wants It s a spiritual adventure through time and existence *The God Box: Sharing My Mother's Gift of Faith, Love and Letting Go* Mary Lou Quinlan, 2012-08-01 After Mary Lou s mother passed away she went searching for the God Box But rather than one box Quinlan found 10 containers stuffed with hundreds of origami like folded papers Covering the last 20 years of her mother s life the notes contained a treasure of brief prayers for family friends and people she had never even met Note by note Quinlan discovered the greatest lesson her mother could impart the importance of letting go in order to live Poignantly written and beautifully designed The God Box is a gift for every parent every son or daughter every person who trusts in the permanence of love and the power of prayer Blowing the Lid Off the God-Box Anne Robertson, 2005 What s in your God box Each of us says author Anne Robertson builds our own way of understanding God our God box and fills it up with bits of scripture wisdom and our experiences of God at work in our lives It s a perfectly good way to puzzle out what God means to us Encountering God through our human limitations we learn something about the meaning of Incarnation But to say that our experience of God is the only valid one is to put a lid on the box and create an idol This book is about examining our God boxes and bursting them wide open Blowing the Lid Off the God Box starts with the ministry of Jesus who blew the lid off everyone s God box by constantly challenging his followers with the unexpected Subsequent chapters examine the God boxes we create with scripture worship and political and social agendas

The God Box Art Wiederhold, 2004-10 THE GOD BOX is a provocative racy sequel to CIRCLE IN A SPIRAL This time famed archeologist Art Wilder and his team of experts travel to Egypt to uncover the secrets of the Sphinx and to find the long lost tomb of the legendary Imhotep While their search is purely scientific there are others who also seek the famous lost tomb and the secrets that lie buried with Imhotep And they will do anything to get them The God Box is the latest chapter in the Wilder sagas It s a wild blend of history science fiction and steamy sex and wry humor that also challenges the accepted theories of the origins of human civilization THE GOD BOX is a must read for fans of Art Wiederhold and proves once again that he is the master storyteller of our time The God Box Mary Lou Quinlan, 2012-04-17 When Mary Lou Quinlan s beloved mother Mary Finlayson dies her family is bereft until Mary Lou searches for her mother s God Box her private cache of notes to God on behalf of family friends and strangers To Mary Lou s amazement she finds not one but ten boxes stuffed with hundreds of tiny petitions that spanned the last twenty years of her mother s life Note by note Mary Lou unearths a treasure of her mother s wishes and worries and insight Mary asked God for everything from the right flooring for her daughter s home to a cure for her own blood cancer Her requests penned on scraps of paper were presented without expectation the ultimate expression of letting go Follow Mary Lou s emotional journey as she uncovers her mother s innermost thoughts nostalgic surprising and even a bit shocking As she recalls life with the woman who was her best friend
