The Last Prophecy:

The Last Prophecy Jon Land, 2025-08-22 1945 While liberating a concentration camp an American medical unit uncovers something beneath a body laden trench Sixty years later the survivors of that unit are systematically murdered because of what they saw The Present Enter former Palestinian American detective Ben Kamal and his Israeli counterpart Danielle Barnea Working for the United Nations Ben and Danielle are forced to return to the Middle East to investigate a massacre in a Palestinian village They quickly learn that the roots of that massacre lie elsewhere in another era on another continent While Ben follows the trail of the shadowy force responsible Danielle finds herself swept into a maelstrom where the past and the present collide joined by an ancient text of prophecies that predicts a cataclysmic event about to strike the United States The only way to change a fate foretold long before is to decipher a cryptic message shrouded in secrecy and guarded by a hidden army As time ticks down Ben and Danielle face off against a new and all powerful enemy with its own crazed reasons for wanting America's very way of life destroyed Their only hope to use The Last Prophecy At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **The Last Days** Dr. William N. Glover S.T.D, 2016-06-25 Within the last pages of the Bible lies the story of the revelation of Jesus Christ as told to Apostle John While unveiling a chain of events foretold to precede and accompany the Messiah's return to Earth the book of Revelation also addresses the seven churches in Asia Minor that represent intriguing periods in church history Dr William Glover who first became interested in Revelation while attending college in New York explains the symbolism of the book while highlighting the methods God will use to accomplish his goals as the world as we know it comes to a close While discussing the various stages of doom predicted to occur Dr Glover methodically leads others through his interpretation of Revelation as it chronically presents futuristic events that include not just Christ's return but also the creation of a new heaven and earth The Last Days A Guide to Understanding the Book of Revelation provides a seasoned pastor's scriptural interpretations intended to help others understand and apply the teachings related to the final book of the Bible **The Last Things**, **The Last Pope** Robert Howells, 2013-06-20 A historian dissects the prophecies of a Nostradamus like seer who suggests the end of the papal throne and the beginning of a new era in the Roman Catholic Church Nearly a thousand years ago the Archbishop of Armagh later canonized as St Malachy made a series of prophecies that were hidden in the Vatican for four hundred years His predictions gave clues to the identities of the 109 Popes from medieval times to present day including the final Pope who would oversee the end of the Papacy and the fall of the Roman Catholic Church The Last Pope examines the sudden rediscovery of these prophecies in the sixteenth century how they may have been used as propaganda in the campaign to promote Pope Gregory XIV to the papal throne and how the 2013 papal election may have been our last Robert Howells has spent the last twenty years researching and writing about religious and historical mysteries By drawing on his extensive knowledge of both the political and spiritual history of the Catholic Church he places Pope

Francis in the context of what will potentially be the most challenging era for the papacy The Last Pope seeks to answer questions surrounding the future of the Catholic church offering an investigating that will fascinate readers who are fascinated by the unresolved mysteries in the history of Christianity
