The Mystery Of The Light Within Us

Victor M. Corman

The Mystery Of The Light Within Us:

The Mystery of the Light Within Us John Todd Ferrier, 1967 The Mystery of the Light Within Us John Todd Ferrier, 1932 The Mystery of the Light Within Us, 1952 From the Mysteries Hermann Beckh, 2020-06-03 In the early part of the last century Professor Hermann Beckh began a search to discover the truth about the Mystery wisdom of antiquity As a recognized authority on Buddhist texts he knew that complete knowledge of such Mysteries was not to be found within the limitations of waking consciousness sense perception and logic Beckh was already aware that Gautama Buddha had indicated the stages of higher knowledge Furthermore his studies of Rudolf Steiner's anthroposophical teachings revealed that such knowledge could be experienced directly given disciplined meditation Clairvoyant cognition included the conscious penetration of sleep consciousness the dream state and an experience of pre natal consciousness Both the Mysteries and Rudolf Steiner's major books he concluded were founded on the same perceptions Beckh a worldwide expert on Tibetan Sanskrit Pali and Avestan texts quickly became disenchanted with Madame Blavatsky's Theosophy as it displayed little precise academic knowledge of primary records At the same time university departments showed scant trace of understanding the texts they analysed through philology and sociology Thus based on comprehensive studies and personal experience he resolved to present his own perceptions and vision to the public The results are to be found in this invaluable book bringing together for the first time in English three groundbreaking publications Our Origin in the Light Genesis 1 9 1924 Zarathustra 1927 and From the World of the Mysteries 1927 as well as five of Beckh's articles from contemporary periodicals **The Mystery of the Light Within Us, Etc. [With Plates.]** John Todd FERRIER, 1932 **Light Within** Laurence Freeman, 2008 The Benedictine monk and writer Laurence Freeman took over the mantle of John Main after his death in 1982 and continues the work that he began teaching Christians from all traditions the simplest way of prayer meditation It is simple in that it requires no words yet encountering God without the safety barrier of our own thoughts and ideas is to open ourselves to total transformation This collection of talks on Christian meditation is full of practical advice and great spiritual insights in equal measure It shows how discovering the presence of Christ within through meditative prayer can give shape and purpose to everything we do and are our actions emotions fears longings failings and dreams As John Main taught the point of this kind of prayer is to allow God's presence to become not just a reality but the reality of our lives

A Full Report of the Case of Stacy Decow, and Joseph Hendrickson, Vs. Thomas L. Shotwell Thomas Latham Shotwell, 1834 **The Anthroposophical Soul Calendar and the Incarnation Cycle of Man** Roland Schrapp, 2021-01-14 This book takes a completely new look at the Anthroposophical Soul Calendar It is about the deeper meaning of the fifty two weekly verses which has remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner A dense veil of Isis was spread over them of which is well known that no mortal person can lift it Only the immortal psycho spiritual human being who knows himself at home in the extrasensory higher worlds is capable of doing this Only to him the

weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual cosmic realms until he reaches the experience of God from where he gradually descends again into a new life on Earth enriched in spirit and fertilized in his soul If the reader embarks on this journey the spiritual archetype of the Soul Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ By many quotations from Rudolf Steiner's lectures and books the author virtually lets Steiners himself elucidate the breathtaking depths of his mysterious weekly verses

Casting Light on the Mystery of God in You Doris E. Thorn, 2013-03 Ties in gems of Truth in the Bible with modern New Age ideas Gives practical exercises for developing Spirituality using RHYMES to ease the process of memorizing Gives helpful specific ideas for feeding the subconscious mind with basic and new information Tells how to discover and increase the Spirit of God in you Doris Says I have written this work in a folksy practical down to earth style hoping it will trigger a spark in the mind of the average person who has not given much thought to the Mysterious World of Higher Vibrations It is my hope and desire that this book will appeal to all people but especially to the younger generation who today seem to be bewildered looking for answers to life in highs they get from excessive activity and drugs I also hope to reach ANYONE of ANY AGE who is SKEPTICAL and BURDENED by NEGATIVITY Here s to your revival

The Mystery of Christ Thomas Keating, 2023-01-19 Following upon Open Mind Open Heart which presents a profound formation in Christian prayer this book demonstrates the contemplative dimension of Christian worship Here Father Keating recovers the deeper sense of the liturgical year and shares a theological and mystical perspective on the major feasts of the annual cycle The reader is immersed in the wonder of faith in the mystery of Christ and of the unique nature of God's action and presence in and through the liturgy of our lives

The Mystery Of The Light Within Us Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**The Mystery Of The Light Within Us**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
