The Mystical Basis Of Christianity And The Nature Of Mysticism:

Mysticism and the Creed William Frederick Cobb, William Frederick Geikie-Cobb, 1914 **A New Light of Mysticism.**
Azoth, Or The Star in the East ... Arthur Edward Waite, 1893 Mysticism and Its Nature; The Main Directions of Ancient Church Mysticism Pyotr M. Minin, **Azoth, Or, The Star in the East** Arthur Edward Waite, 1893 **The Essential Writings of Christian Mysticism** Bernard McGinn, 2006-12-12 This clear and comprehensive anthology culled from the vast corpus of Christian mystical literature by the renowned theologian and historian Bernard McGinn presents nearly one hundred selections from the writings of Origen of Alexandria in the third century to the work of twentieth century mystics such as Thomas Merton Uniquely organized by subject rather than by author The Essential Writings of Christian Mysticism explores how human life is transformed through the search for direct contact with God Part one examines the preparation for encountering God through biblical interpretation and prayer the second part focuses on the mystics actual encounters with God and part three addresses the implications of the mystical life showing how mystics have been received over time and how they practice their faith through private contemplation and public actions In addition to his illuminating Introduction Bernard McGinn provides accessible headnotes for each section as well as numerous biographical sketches and a selected bibliography Praise for The Essential Writings of Christian Mysticism No one is better equipped than Bernard McGinn to provide a thorough and balanced guide to this vast literature This is an anthology which deserves to be read not only by those who study Christian history and theology but by believers who long to deepen their own lives of prayer and service Anglican Theological Review Bernard McGinn a preeminent historian and interpreter of the Christian mystical tradition has edited this fine collection of mystical writings organizing them thematically McGinn offers helpful introductions to each thematic section author and entry as well as a brief critical bibliography on mysticism Published in the Modern Library Classic series this is a great value Christian Century No one is better equipped than Professor McGinn to provide a thorough and balanced guide to this vast literature A first class selection by a first class scholar Rowan Williams Archbishop of Canterbury This accessible anthology by the scholarly world s leading historian of the Western Christian mystical tradition easily outstrips all others in its comprehensiveness the aptness of its selection of texts and in the intelligent manner of its organization Denys Turner Horace Tracy Pitkin Professor of Historical Theology Yale Divinity School An immensely rich anthology assembled and introduced by our foremost student of mysticism Both the scholar and the disciple will find God s plenty here Barbara Newman Professor of English Religion and Classics John Evans Professor of Latin Northwestern University An unusually clear and insightful exposition of major texts selected by one of the greatest scholars in the field of Christian mysticism based on his vast erudition and uniquely sensitive interpretation Like his other books this one too is destined to become a classic Professor Moshe Idel Hebrew University Jerusalem *Mysticism and Alchemy through the Ages* Gary Edson, 2012-09-18 An in depth look into the foundations of mysticism and alchemy this book describes both

physical and spiritual aspects of the various theories and practices of transformation with attention to the beliefs of Buddhism Christianity Hinduism Islam Judaism Sufism Tantrism Taoism and Yoga The connection between early mystical pursuits and the development of alchemy from ancient China India and Egypt through Moorish Spain and into Latin Europe are illuminated along with the activities of early alchemists The book which is heavily illustrated describes the beliefs experiments and secret messages that drew the believers and dreamers of the world together in search of wealth and immortality **Mysticism: A Study in Nature and Development of Spiritual Consciousness** Evelyn

Underhill, 2017-02-15 Remaining a classic in its field this book explains first how mysticism relates to such things as vitalism theology psychology symbolism and magic This treatment may seem unusual for Christian mysticism but it relates widely to the world as we know it and the different practices therein Part Two explores the awakening purification and illumination of yourself and gives solid groundwork for such things as voices visions dreams and other mystical experience [The Letters of an Unexpected Mystic](#) Robert D. Flanagan, 2022-07-20 The apostle Peter is a pillar of the church whose writing has been overlooked until recently when scholarship remedied this gap significantly elevating Peter's letters However one critical area has been omitted Within the Petrine writing is a robust empowered and beautiful mystical theology which makes Peter an unexpected but vital Christian mystic In exploring his love of artwork German theologian and priest Romano Guardini developed the Threefold Seeing which has been brought to light by Yvonne Dohna Schlobitten of the Pontificate Gregorian University His unique method of viewing the artist artwork and observer develops a way of encountering the world and word Instead of looking at the world or the biblical text through separate vantage points the Threefold Seeing integrates all disciplines under greater view of God the artist of all creation The Letters of an Unexpected Mystic employs Guardini's Threefold Seeing to encounter the mystic Peter and the Petrine mystical theology The result is a book that provides its readers with a means to become the Christian Karl Rahner wrote about in 1971 The devout Christian of the future will either be a mystic one who has experienced something or he will cease to be anything at all *The Nature and Destiny of Man: A Christian Interpretation* Reinhold Niebuhr, 1996-11-01 The Nature and Destiny of Man issues a vigorous challenge to Western civilization to understand its roots in the faith of the Bible particularly the Hebraic tradition The growth corruption and purification of the important Western emphases on individuality are insightfully chronicled here This book is arguably Reinhold Niebuhr's most important work It offers a sustained articulation of Niebuhr's theological ethics and is considered a landmark in twentieth century thought The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field
