The National Literacy Strategy Literacy Training Pack The Literacy Hour:

Primary English Curriculum Guide Christine Moorcroft, Ray Barker, 2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice *The Really Practical Guide to Primary English* Diana Bentley, 1999 This book contains clear chapter objectives suggestions for further reading on each topic and a glossary explaining key terms that the new or trainee teacher will need to understand The authors have all taught English in the primary setting are experienced teacher trainers and respected practitioners in their own specialist fields Readings for Reflective Teaching Andrew Pollard, 2002-01-01 This unique book provides the reader with a mini library of over one hundred readings containing both classic and contemporary readings international contributors material drawn from books and journals An essential reference resource in its own right Readings for Reflective Teaching also contains numerous cross references to Andrew Pollard's Reflective Teaching **Phonics** Maureen Lewis, Sue Ellis, 2006-09-12 Phonics Practice Research and Policy unravels the controversy surrounding phonics which currently characterises much of the discussion about reading standards and teaching reading Bringing some much needed balance to the debate the book offers genuinely focused advice on how to make sense of the various theories and on their applications in practice helping teachers to find the right practical solutions to suit the children in their settings The book includes chapters on How children learn to read and how phonics helps The role of early phonics teaching Classroom approaches to phonics teaching Involving parents and carers Speaking and phonological awareness Spelling links Staff development Responses to the Rose Review on Early Reading It will be essential reading for student teachers on initial training courses and for more experienced staff in a range of school settings **Beyond Early Writing** David Waugh, Adam Bushnell, Sally Neaum, 2025-02-28 This essential text for primary trainees and teachers examines the key skill of writing beyond the earliest school years Teaching writing involves much more than simply teaching the mechanics of spelling grammar and punctuation important though these are There are particular issues around writing in school including the fact that children's writing consistently lags behind their reading in external tests such as SATs boys' relative lack of success and teachers' lack of confidence in modelling writing This book addresses these topics as well as focusing on other pertinent practice issues such as working with proficient writers engaging disengaged writers and working with children who have EAL and SEN The National Literacy Strategy, 1998 EBOOK: TEACHING THE PRIMARY CURRICULUM Jane Johnston, Mark Charter, Derek Bell, 2002-01-16 What is good teaching and

learning in the primary school How can teachers manage the whole curriculum and still educate the whole child and raise standards How can teachers be in critical dialogue with each other and with the curriculum in their search for improvement What is the role of the teacher in the new primary curriculum This wide ranging book seeks to address these questions and to provide a comprehensive overview of the whole primary curriculum It aims to develop teaching throughout primary education and to support teachers in the effective delivery of the curriculum There is a particular focus on recent changes in primary education The contributors consider how teaching methodologies need to adapt to these changes to meet the needs of children and raise standards in school Throughout the book emphasis is placed on effective teaching and learning methodologies the importance of quality interaction in the classroom the role of the teacher in teaching and learning and the experience of the child Exemplars of good teaching are provided in each chapter as well as thought provoking ideas for good practice

Creativity in Education Anna Craft, Bob Jeffrey, Mike Leibling, 2001-04-01 A rounded comprehensive guide to issues of practice pedagogy and policy concerned with creative education

Unlocking Writing Mary Williams, 2013-10-11 The underpinning theme of this book is how children develop as writers and how self awareness raises achievement It offers creative approaches to increasing pupil motivation and performance by involving amongst other things Drama and ICT The contributors offer practical advice on ways to meet the needs of boys able children SEN pupils and those learning English as an additional language how to plan effective lessons how to be flexible within the framework of the NLS and the role of assessment and how it contributes to self understanding Central to all classroom practitioners and students this innovative book improves general understanding of the process related to composition and transcription and helps to raise the standards of writing in all classrooms

Taking Education Really Seriously Michael Fielding, 2004-08-02 Michael Fielding looks at what the Labour Government has achieved in the last four years with its policy of education education education There has been widespread disappointment in New Labour s education policies which on the whole have not steered too far wide of those put in place by Margaret Thatcher including issues of marketisation testing and performativity Michael Fielding has called on the key policy thinkers in education to offer their opinions on what has happened in education over the first three to four years of the New Labour Government Education policy is a controversial subject and with a General Election expected within the next few months this book will be read widely by people within education politicians and journalists and by others anxious to get to facts and avoid the spin The subject matter and the presence of so many high profile educationalists make this an essential read
