The Nature Of Private Contract

Mukarrum Ahmed

The Nature Of Private Contract:

The Nature of Private Contract Harold C. Havighurst, 1981 **The Nature and Enforcement of Choice of Court Agreements** Mukarrum Ahmed, 2017-10-05 PRAISE FOR THE BOOK This constitutes a work of impressive scholarship that will become a major reference point for future discourse on choice of court agreements Dr Ahmed advances a firm thesis in a lucid manner that will satisfy both academics and practitioners The discussion is supported by a monumental foundation of underpinning research Ahmed s monograph throughout shows clear understanding of underlying substantive laws and in Chapter 11 displays a refreshing willingness to engage in intelligent speculation on the implications of Brexit Professor David Milman University of Lancaster The book is an excellent attempt to understand the theoretical underpinnings of choice of court agreements in private international law Anyone with an interest in the theory and practice of choice of court agreements in particular in mechanisms for their enforcement should read this book They will find much of value by doing so Professor Paul Beaumont University of Aberdeen from the Series Editor s Preface This book examines the fundamental juridical nature classification and enforcement of choice of court agreements in international commercial litigation It is the first full length attempt to integrate the comparative and doctrinal analysis of choice of court agreements under the Brussels I Recast Regulation the Hague Convention on Choice of Court Agreements Hague Convention and the English common law jurisdictional regime into a theoretical framework In this regard the book analyses the impact of a multilateral and regulatory conception of private international law on the private law enforcement of choice of court agreements before the English courts In the process it both pre empts and offers innovative solutions to issues that may arise under the jurisprudence of the emergent Brussels I Recast Regulation and the Hague Convention The need to understand the nature and enforcement of choice of court agreements before the English courts from the perspective of the EU private international law regime and the Hague Convention cannot be understated This important new study aims to fill an existing gap in the literature in relation to an account of choice of court agreements which explores and reconnects arguments drawn from international legal theory with legal practice However the scope of the work remains most relevant for cross border commercial lawyers interested in crafting pragmatic solutions to the conflicts of jurisdictions **Nature of Private Contract** , 1961 **Tourists, Consumer Contracts and Private International Law in China** Zhen Chen, 2025-03-29 This book explores the intersection of consumer contracts and private international law with a specific focus on tourists in China The primary aim is to analyze how private international law addresses consumer protection issues particularly for tourists and to come up with legislative proposals to improve consumer protection in China By examining current legislative provisions case studies and judicial practices the book provides a comprehensive understanding of consumer protection in Chinese private international law and potential legal reforms to enhance consumers access to justice in cross border litigation The increasing globalization and mobility of consumers especially tourists call for robust legal frameworks to protect their rights across borders While China

does endeavor to protect consumers the current regulations in Chinese private international law remain insufficient Consumers including tourist consumers still encounter major obstacles in international civil litigation This book highlights the strengths and weaknesses of China s legal system offering insights for potential legal reforms to enhance consumer protection there This book is intended for academics legal practitioners policymakers and students with an interest in private international law consumer protection and comparative law It also offers a valuable resource for international organizations involved in consumer rights and tourism By providing a focused analysis of tourist related consumer contracts in China it fills a critical gap in the existing literature The Nature and Future of Tourism Maximiliano E. Korstanje, Babu

George, 2022-06-08 This book focuses on the tourism industry in conjunction with the impact of COVID 19 from the perspective that it is both negatively impacting the industry while also offering an opportunity to rise from the ashes The volume offers a new conceptualization and theorization of tourism suggests new research methods offers parallels with other crises such as 9 11 to better understand the current one and suggests futurist and innovative strategies This book offers a wide range of topics on how a pandemic can impact customer satisfaction and the tourism industry Private Law and the

Employment Contract Alan Bogg, Paul S Davies, 2025-07-24 This book brings together leading scholars from private law and employment law to reflect upon private law doctrines as they relate to the employment contract Developing an interdisciplinary dialogue these contributions explore the regulatory functions of private law doctrines at the cutting edge of modern employment law Topics include the potential and limitations of private law damages the role of injunctions and specific performance the interactions between express and implied terms vicarious liability substantial performance and breach and the common law right to work The integration of scholarly perspectives from the realms of private law and employment law enriches and deepens our understanding of core private law doctrines Historically employment law was defined in terms of its autonomy from general private law This achievement of autonomy was highly prized and considered necessary to facilitate industrial freedoms for trade unions and the protection of employees from exploitation But the contractual basis of employment means that any such autonomy has always been partial and unstable Furthermore as trade unions have declined and governments have deregulated statutory employment rights private law has assumed growing practical importance in strategic appellate litigation In many common law jurisdictions private law doctrines have become the new battleground between employers workers and trade unions The essays in this book examine specific doctrinal issues against this dynamic backdrop of changing social economic and constitutional conditions While focused mainly on English law the essays also consider examples from other jurisdictions including Australia and Scotland As private law becomes the default regulation for most employment contracts in 21st century labour markets across the world this book is an essential resource for practitioners judges academics and students **Public Private Partnership Contracts** Mohamed

Ismail, 2020-03-18 This book provides a comprehensive overview of the law surrounding PPPs in the Middle East and North

African region The significance of liberalised and integrated Public Private Partnership Contracts as an essential component of the world legal and policy order is well documented The regulation of PPPs is justified economically to allow for competition in the relevant public service and to achieve price transparency thus resulting in significant savings for the public sector In parallel to the economic justifications legal imperatives have also called for the regulation of PPPs in order to allow free movement of goods and services and to prohibit discrimination on grounds of nationality The need for competitiveness and transparency in delivering public services through PPPs is considered a safeguard to achieve international standards in delivering public utility services First it assesses the compatibility of the current PPPs legislation and regulation in the MENA region with the international standards of legislation and regulation prevalent in many other countries including the UK France and Brazil Secondly it compares the practices in the MENA region with those of international bodies such as the OECD and World Bank Comparisons are then made between the MENA countries and those in Europe and Asia with regard to the influence of culture policy and legal globalization The book will be of interest to scholars and students in the field of international contract law public law and state contracts finance law and private law

The Politics of Private Transnational Governance by Contract A. Claire Cutler, Thomas Dietz, 2017-03-31 This edited volume provides critical reflections on the interplay between politics and law in an increasingly transnationalized global political economy It focuses specifically on the emergence and operation of new forms of governance that are developing through a variety of transnational contractual practices institutions and laws in multiple sectors and areas of economic activity Interdisciplinary in nature the volume includes contributions from law political science sociology and international politics with the focus on the political foundations of transnational contract being both original and path breaking Placing power at the center of the analysis the volume reveals the heterogeneous landscape of contemporary law making and the different kinds of politics giving rise to this form of global ordering As the contributors note this new form of governance requires a different type of political theory and legal theory with the volume advancing understanding of the analytical theoretical and normative dimensions of private transnational governance by contract making a valuable contribution to new theory in law and politics It will be of great interest to students and academics in law political science international relations international political economy and sociology as well as international commercial arbitration lawyers trade and investment lawyers and legal firms
