Bounds, 2016-09-06 In this work Bounds offers up and explanation of how necessary prayer is in the Christian life Not only does prayer bring us before God but increases faith and dependence on God Bounds offers a few Biblical examples of praying people in the Bible and the benefits that came from it **The Necessity of Prayer** Edward Mckendree Bounds, 2020-03-09 EDWARD McKENDREE BOUNDS did not merely pray well that he might write well about prayer He prayed because the needs of the world were upon him He prayed for long years upon subjects which the easy going Christian rarely gives a thought and for objects which men of less thought and faith are always ready to call impossible From his solitary prayer vigils year by year there arose teaching equaled by few men in modern Christian history He wrote transcendently about prayer because he was himself transcendent in its practice As breathing is a physical reality to us so prayer was a reality for Bounds He took the command Pray without ceasing almost as literally as animate nature takes the law of the reflex nervous system which controls our breathing Prayer books real text books not forms of prayer were the fruit of this daily spiritual exercise Not brief articles for the religious press came from his pen though he had been experienced in that field for years not pamphlets but books were the product and result He was hindered by poverty obscurity loss of prestige yet his victory was not wholly reserved until his death In 1907 he gave to the world two small editions One of these was widely circulated in Great Britain The years following up to his death in 1913 were filled with constant labour and he went home to God leaving a collection of manuscripts His letters carry the request that the present editor should publish these products of his gifted pen The preservation of the Bounds manuscripts to the present time has clearly been providential The work of preparing them for the press has been a labour of love consuming years of effort These books are unfailing wells for a lifetime of spiritual water drawing They are hidden treasures wrought in the darkness of the dawn and the heat of the noon on the anvil of experience and beaten into wondrous form by the mighty stroke of the Divine They are living voices whereby he being dead yet speaketh C C The above Foreword was written by Claude Chilton Jr an ardent admirer of Dr Bounds and to whom we owe many obligations for suggestions in editing the Bounds Spiritual Life Books We buried Claude L
