Delano,2004     The Month ,1997     *Voices from the Mountains* Andrew D. Mayes,2021-10-18 In the shifting sands of today s uncertain world where traditional paradigms are fragmenting and everything seems in a state of flux the biblical mountains endure as unshakable and steadfast In their caves and canyons linger ancient voices that can startle us into new insights and awaken in us new ways of seeing the world and ourselves In this book we go on a quest to locate the ancient voices of those who actually lived in these mountains who knew both the physical contours and spiritual secrets of the summits and who long pondered their mysteries We will rediscover texts and fragments that have been long forgotten in the West The pandemic has filled the world with uncertainty and fear We will discover wisdom and insights that are strikingly relevant to this unfolding world crisis and that speak with an uncanny directness to our situation But the wisdom here is timeless and enduring and readers will benefit from these ancient voices in all generations and in all sorts of circumstances This book is not so much an anthology of forgotten voices as a sourcebook of spirituality and a guidebook for the spiritual adventure
