The Mystic Spirituality Of Aw Tozer A Twentieth Century American Protestant:

The Mystic Spirituality of A.W. Tozer Eleanor Lynn Harris,1992-01-01 Though much work has been done in the fields of Catholic and Oriental spirituality Protestant spirituality has often been neglected After a brief biography of A W Tozer this study compares Tozer s mysticism to 35 mystical classics he recommended such as John of the Cross Teresa of Avila etc The focus is on the nature of contemporary Protestant mysticism and the examination of a 20th century figure operating within a very conservative section of Protestantism who was influenced by mystical prayer The position which Tozer reached may be of value to others also having to cope with the pressures of contemporary life in a metropolitan environment *A Passion for God* Lyle Dorsett,2008-09-01 I fear we shall never see another Tozer Men like him are not college bred but Spirit taught Leonard Ravenhill 20th century British evangelist Pastor A W Tozer author of the Christian classics *The Pursuit of God* and *The Knowledge of the Holy* was a complex intensely private deeply spiritual man and a gifted preacher whose impact for the kingdom of God is immeasurable In this thoughtful biography bestselling author Lyle Dorsett traces Tozer s life from his humble beginnings as a Pennsylvania farm boy to his heyday as a Chicago pastor when hundreds of college students would travel to his South Side church to hear him preach and thousands more heard his Sunday broadcasts on WMBI to his final pastorate in Toronto From his conversion as a teen to his death in 1963 Tozer remained true to one passion to know the Father and make Him known no matter what the cost The price he paid was loneliness censure from other more secular minded ministers of the times and even a degree of estrangement from his family Read the life story of a flawed but gifted saint whose works are still impacting the world today **Experimental Theology in America** Patricia A. Ward,2009 In this study of Madame Guyon and her defender Francois de F nelon the Archbishop of Cambrai Patricia Ward demonstrates how the ideas of these seventeenth century Catholics were transmitted into an ongoing tradition of Protestant devotional literature one that continues to influence American evangelicals and charismatic Christians today Down a winding and fascinating historical path Ward traces how the lives and writings of these two somewhat obscure Catholic believers in Quietism came to such prominence in American spirituality offering in part a fascinating glance at the role of women in the history of devotional writing **American Book Publishing Record** ,1992 *The Keswick Movement* Charles Edwin Jones,2007 This volume introduces researchers to the leaders ideas and institutions of the Keswick Movement a strand of holiness teaching that was embraced by many evangelicals who came from the more Calvinistic wing of Protestantism especially Anglicans Baptists Congregationalists and Presbyterians The Keswick Movement is the most difficult of the three main holiness traditions to delineate Unlike the Wesleyan Holiness and Holiness Pentecostal traditions the Keswick Movement has not gone through a definitive period of careful theological refining and institutional boundary setting [Who's who in Theology and Science](#) ,1996 **The Christian and Missionary Alliance** H.
