tell me to do These are the life stories of a boy growing older while the world of technology emerged As this transition marched on this boy saw his world around him transform from a world in which imagination fantasy led to intellectual growth to a new generation possessed with the idea that their lives are dependent on technology Computers smart phones devices all have taken the place of creativity Lessons of the Naked Boy are life s simple philosophies that we must remember to keep from becoming victims of our own technology The Naked Tourist Lawrence Osborne,2007-06-12 From the theme resorts of Dubai to the jungles of Papua New Guinea a disturbing but hilarious tour of the exotic east and of the tour itself Sick of producing the bromides of the professional travel writer Lawrence Osborne decided to explore the psychological underpinnings of tourism itself He took a six month journey across the so called Asian Highway a swathe of Southeast Asia that since the Victorian era has seduced generations of tourists with its manufactured dreams of the exotic Orient And like many a lost soul on this same route he ended up in the harrowing forests of Papua searching for a people who have never seen a tourist What Osborne asks are millions of affluent itinerants looking for in these endless resorts hotels cosmetic surgery packages spas spiritual retreats sex clubs and back to nature trips What does tourism the world s single largest business have to sell A travelogue into that heart of darkness known as the Western mind The Naked Tourist is the most mordant and ambitious work to date from the author of *The Accidental Connoisseur* praised by The New York Times Book Review as smart generous perceptive funny sensible **The Naked Badge** James B. Moore,2011-05-06 On a balmy April morning in 1954 James Moore was sworn in as a member of the Toledo Police Academys twelfth cadet class and began what would eventually become a twenty six year career with a police force intent on fiercely protecting the citizens of its beloved city The Naked Badge shares powerful hard hitting anecdotes of the realities of Toledo Ohio law enforcement that took place from 1950s to the 1970s With from the heart honesty that at times reads like fiction Moore provides a compelling glimpse into a time when formal training was minimal and outdated there were no such things as computers portable radios bulletproof vests or air conditioned vehicles pay was minimal and officers worked a forty eight hour week While revealing the stark vulnerabilities of rookie patrolmen Moore shares real life cases that disclose his own failures and shortcomings as his career takes him from a patrolman assigned to walking beats in the toughest sections of the city to a veteran captain who prided himself on treating everyone fairly The Naked Badge offers an enlightening and entertaining look into the intriguing world of police work during a period of great change in America *Distant Lover* Ashaki Boelter,2003-10-12 Set in the Rose City of Portland Oregon the All 4 Love series evolves around Alley s wacky relationship toggles and family issues Sure typical family problems can be repeated snores when it comes to reading but I ve taken it to wild and crazy heights and it should keep all readers glued to the end Distant Lover is about protagonist Alley s yearning for someone that seems hard to reel in He yearns for Lavidia Jones but she is entangled in parenting job and ex fianc problems The story opens with Alley being the ultimate unemployed and complete loser Not only is Alley suddenly blessed with finding job security he meets his distant

lover on a bus Together Alley and Lavidia survive all the wacky challenges A stalking bum that eventually cleans up his alcoholic behaviors returns to the bottle and ends up dead by the end of Distant Lover The gangster son of Lavidia who threatened to shoot Alley if marriage came up ends up shot and finds that Jesus is his best friend The ex fianc and part time Jamaican pimp Robert ends up the most hated villain you ll ever read about **Naked Addiction** Caitlin Rother,2014-11-11 New York Times bestselling author A California cop plunges into the gritty secrets of a wealthy enclave in this psychologically complex crime thriller Tired of working undercover narcotics police detective Ken Goode wants a transfer to homicide After the Camus reading surfer finds the body of a beautiful woman in an alley he is assigned to head a team of relief detectives with the hopes of proving he is homicide worthy As Goode explores the underbelly of the affluent coastal enclave of La Jolla California and its hipster neighbor Pacific Beach he clashes with the patrons and employees of a neighborhood bar real estate agents and beauty school students who have possible ties to an escort service and a drug ring and keep turning up dead The untimely disappearance of Goode s sister proves a worrisome distraction as he chases suspects and a dogged cub reporter chases him This intricately layered crime thriller revolves around a cast of characters who use addictions to try to fill the empty spaces within themselves whether their drug of choice is sex alcohol cocaine cigarettes or in Goode s case caffeine and damaged women Rother is a keen architect of the most important part of storytelling character Michael Connelly A strong debut from a perceptive and unflinching writer T Jefferson Parker
