Dietrich,2000-10 The terrorist bombs and guns going off in our world along with practically every bit of political violence of the last forty years starting with the assassination of President Kennedy are part of a single man s demented plot to save the world through terror and a climactic apocalyptic act of sacrifice that will make the crucifixion of Christ look insignificant Or so we are told by Wolf Berlin who has accidentally uncovered the mad plot on the Net Who is Wolf Berlin He is a man who has always wanted to found a new religion and who now is tempted by the mad genius a long lost old friend to be the Peter and Paul of what looks to be a very effective religion of the future one that will bring the global peace Wolf so hungers for After the dust settles that is Whether Wolf agrees to it or not the Apocalypse is scheduled for the near future Wolf struggles with his decision to either try to stop the mad plot or join it as the Doomsday clock ticks on BIFAD Briefs United States.
