Includes two works of science fiction one relating the story of Rick prophesized conquerer of Mars the other a tale of an alien invasion of earth *The Stellar Legion* Leigh Brackett,2011-11-05 MacIan was a man with a secret and it had followed him

to Venus and the Legion escape was impossible ExcerptSilence was on the barracks like a lid clamped over tight coiled springs Men in rumpled uniforms outlanders of the Stellar Legion space rats the scrapings of the Solar System sweated in the sullen heat of the Venusian swamplands before the rains Sweated and listened The metal door clanged open to admit Lehn the young Venusian Commandant and every man jerked tautly to his feet Ian MacIan the white haired space burned Earthman alone and hungrily poised for action Thekla the swart Martian low canaler grinning like a weasel beside Bhak the hulking strangler from Titan Every quick nervous glance was riveted on Lehn The young officer stood silent in the open door tugging at his fair mustache to MacIan watching he was a trim clean incongruity in this brutal wilderness of savagery and iron men Behind him the eternal mists writhed in a thin curtain over the swamp stretching for miles beyond the soggy earthworks through it came the sound every ear had listened to for days a low monotonous piping that seemed to ring from the ends of the earth The Nahali the six foot scarlet eyed swamp dwellers whose touch was weapon enough praying to their gods for rain When it came the hot torrential downpour of southern Venus the Nahali would burst in a scaly tide over the fort Only a moat of charged water and four electro cannons stood between the Legion and the horde If those things failed it meant two hundred lives burned out the circle of protective forts broken the fertile uplands plundered and laid waste MacIan looked at Lehn s clean university bred young face and wondered cynically if he was strong enough to do his job Lehn spoke so abruptly that the men started I m calling for volunteers A reconnaissance in Nahali territory you know well enough what that means Three men Well Ian MacIan stepped forward followed instantly by the Martian Thekla Bhak the Titan hesitated his queerly bright blank eyes darting from Thekla to Lehn and back to MacIan Then he stepped up his hairy face twisted in a sly grin Lehn eyed them his mouth hard with distaste under his fair mustache Then he nodded and said Report in an hour light equipment Turning to go he added almost as an afterthought Report to my quarters MacIan Immediately MacIan s bony Celtic face tightened and his blue eyes narrowed with wary distrust But he followed Lehn his gaunt powerful body as ramrod straight as the Venusian s own and no eye that watched him go held any friendship **Science Fiction and Fantasy**

Martian Catacombs Leigh Brackett,2011-12-10 Erik John Stark is sent on a perilous mission into the Valkis and encounters the Queen of the Martian Catacombs ExcerptThe leader of the four men rode slowly toward the tor his right arm raised His voice carried clearly on the wind Eric John Stark he called and the dark man tensed in the shadows The rider stopped He

spoke again but this time in a different tongue It was no dialect of Earth Mars or Venus but a strange speech as harsh and vital as the blazing Mercurian valleys that bred it Oh N Chaka oh Man without a tribe I call you There was a long silence The rider and his mount were motionless under the low moons waiting Eric John Stark stepped slowly out from the pool of blackness under the tor Who calls me N Chaka The rider relaxed somewhat He answered in English You know perfectly well who I am Eric May we meet in peace Stark shrugged Of course He walked on to meet the rider who had dismounted leaving his beast behind He was a slight wiry man this EPC officer with the rawhide look of the frontiers still on him His hair was grizzled and his sun blackened skin was deeply lined but there was nothing in the least aged about his hard good humored face nor his remarkably keen dark eyes It s been a long time Eric he said Stark nodded Sixteen years The two men studied each other for a moment and then Stark said I thought you were still on Mercury Ashton They ve called all us experienced hands in to Mars He held out cigarettes Smoke Stark took one They bent over Ashton s lighter and then stood there smoking while the wind blew red dust over their feet and the three men of the patrol waited quietly beside the Banning Ashton was taking no chances The electro beam could stun without injury Presently Ashton said I m going to be crude Eric I m going to remind you of some things Save it Stark retorted You ve got me There s no need to talk about it Yes said Ashton I ve got you and a damned hard time I ve had doing it That s why I m going to talk about it His dark eyes met Stark s cold stare and held it

Lord of the Earthquake Leigh Brackett,2011-12-10 In the mysterious lands of Manoa Xacul claims he is a god but is he really the one causing the rumbling and fire spouting from the ground ExcerptIt was stiflingly hot in the submarine s tiny cabin The steady pound of the screws was a throbbing ache Coh Langham his scarred hawk face set in lines of restless boredom stared out the port at the featureless muck that rolled endlessly away under the searchlight Krim he said abruptly you re crazy Simon Krim hunched like a shaggy black bull over the tiny control panel spoke without taking his eyes from the sea floor What s the matter Langham Has the thrill petered out Thrill Langham s strong brown body stripped to dungarees hitched angrily lower in the seat Yes he had expected a thrill He had hated seeing Krim again it took him back to a time he wanted to forget But Krim had asked him and he at a loose end and restless as always had accepted Hunting a sunken continent with a submarine was something he hadn t done before It looked exciting The excitement had resolved itself into three weeks of hellish monotony heat and inactivity and utter boredom Simon Krim grunted That s all you think about isn t it Thrills Your father was a hard working archeologist my best friend And you spend your life crashing planes and climbing mountains having adventures There was an edge to his voice his hairy body gleamed with sweat and there were tight lines around his mouth Coh Langham s blue eyes went hard under the scarlet cloth that held back his damp fair hair My life s my own Krim My father certainly never got much out of his
