The Neugents Close To Home:

The Neugents, 1998 Photography THE NEUGENTS CLOSE TO HOME is a large scale book of 66 black and white photographs of one North Carolina family I began photographing the Neugents in 1987 I had chosen them as subjects because of the uniqueness of their lifestyle What I found fascinating about them was their stubborn commitment to the attitudes more reminiscent of tobacco farmers of the early part of the century They were throwbacks who continued to struggle within a system that had been replaced by agribusiness and industrial development Introduction This book may be as close as you ever want to get to the old Neugent place but Mamie and Lee and Frog and Coon and Turtle and Nubby will stay with you Jonathan Williams Afterword A tour de force that is an important social document and contemporary art statement as well as a moving respectful and decidedly un sentimental depiction of a vanishing way of rural American life Tom Patterson David M Spear s photographs are represented in many permanent collectionn is U S museums He was **The Neugents**, 2010 *The Neugents* David M. Spear, 1993 *Literary Trails of the North Carolina Piedmont* Georgann Eubanks, 2010-10-15 Read your way across North Carolina s Piedmont in the second of a series of regional guides that bring the state s rich literary history to life for travelers and residents Eighteen tours direct readers to sites that more than two hundred Tar Heel authors have explored in their fiction poetry plays and creative nonfiction Along the way excerpts chosen by author Georgann Eubanks illustrate a writer s connection to a specific place or reveal intriguing local culture insights rarely found in travel guidebooks Featured authors include O Henry Doris Betts Alex Haley Langston Hughes Zora Neale Hurston John Hart Betty Smith Edward R Murrow Patricia Cornwell Carson McCullers Maya Angelou Lee Smith Reynolds Price and David Sedaris *Literary Trails* is an exciting way to see anew the places that you already love and to discover new people and places you hadn t known about The region s rich literary heritage will surprise and delight all readers **Shy of the Squirrel's Foot** Andy Martrich, 2024-11-12 The Jargon Society a boundary pushing publisher of poetry and experimental writing was founded by Jonathan Williams 1929 2008 in 1951 Jargon quickly gained a reputation as the home of the poetic and literary avant garde including noted mid century poets like Charles Olson and Lorine Niedecker Williams himself looms large in this story as the publisher at Jargon until his death making this book as much about his life and work as the press he founded which today operates through the Black Mountain College Museum in Asheville North Carolina Andy Martrich authors this story in a manner befitting Jargon s ethos of literary experimentation by focusing on the books the Society cataloged but never published While it s not uncommon for a small press to plan for books that don t make it to publication Martrich argues that Jargon s incessant financial difficulties coupled with Williams s impressive network makes its trail of unfinished projects unique and an ideal way to chronicle the press itself Using archival research interviews with volunteers at Jargon and more Martrich gives readers not only an intimate look into a Southern press and publisher but also an important history of modern and experimental literature in twentieth century America *Shy of the Squirrel s Foot* includes an

epilogue by Anne Midgette an afterword by Nicole Raziya Fong and Jargon s complete annotated bibliography which details every book the press published compiled in one place for the first time **The Neugents, Close to Home** ,1998 **The Head in Edward Nugent's Hand** Michael Leroy Oberg,2013-02-12 Roanoke is part of the lore of early America the colony that disappeared Many Americans know of Sir Walter Raleigh s ill fated expedition but few know about the Algonquian peoples who were the island s inhabitants The Head in Edward Nugent s Hand examines Raleigh s plan to create an English empire in the New World but also the attempts of native peoples to make sense of the newcomers who threatened to transform their world in frightening ways Beginning his narrative well before Raleigh s arrival Michael Leroy Oberg looks closely at the Indians who first encountered the colonists The English intruded into a well established Native American world at Roanoke led by Wingina the weroance or leader of the Algonquian peoples on the island Oberg also pays close attention to how the weroance and his people understood the arrival of the English we watch as Wingina s brother first boards Raleigh s ship and we listen in as Wingina receives the report of its arrival Driving the narrative is the leader s ultimate fate Wingina is decapitated by one of Raleigh s men in the summer of 1586 When the story of Roanoke is recast in an effort to understand how and why an Algonquian weroance was murdered and with what consequences we arrive at a more nuanced and sophisticated understanding of what happened during this the dawn of English settlement in America Nothing is Ever as it Seems ,2006 Photographs of Mexico printed in fine screen duotone The photographs in Visible Spirits have been a labor of love for David M Spear since his first trips to Mexico in the 1990s These intensely captivating images from the years that he traveled and lived in Mexico show him as much more than a casual observer No es Nada Come Parece Nothing Is Ever as It Seems the book s sub title expresses this reaching beyond the ordinary to make the often overlooked or unseen visible Found here are portraits of all ages and many walks of life vagabonds and hairdressers cane cutters and highway girls day laborers and herdsman as well as a few of the more prosperous denizens of Mineral de Pozos where Spear chose to live and build a house In her perceptive Foreword Linda Whitney Hobson asserts that Spear has the gift of speaking directly to the spirits of his subjects reassuring them knowing them deeply then bringing up and out of their innards who they are like dark jewels in a treasure chest *Our State* ,1998 **Reading the Novel in English 1950 - 2000** Brian W.
