The New Johnny Cash:

Johnny Cash and the Paradox of American Identity Leigh H. Edwards, 2009-02-25 Throughout his career Johnny Cash has been depicted and has depicted himself as a walking contradiction social protestor and establishment patriot drugged wildman and devout Christian crusader rebel outlaw hillbilly thug and elder statesman Leigh H Edwards explores the allure of this paradoxical image and its cultural significance She argues that Cash embodies irresolvable contradictions of American identity that reflect foundational issues in the American experience such as the tensions between freedom and patriotism individual rights and nationalism the sacred and the profane She illustrates how this model of ambivalence is a vital paradigm for American popular music and for American identity in general Making use of sources such as Cash s autobiographies lyrics music liner notes and interviews Edwards pays equal attention to depictions of Cash by others such as Vivian Cash s publication of his letters to her documentaries and music journalism about him Walk the Line and fan club materials found in the archives at the Country Music Foundation in Nashville to create a full portrait of Cash and his significance as a cultural icon

The New Johnny Cash Charles Paul Conn, 1973-11 **Johnny Cash** Michael Streissguth, 2007-09-04 To millions Johnny Cash was the rebellious Man in Black the unabashed patriot the redeemed Christian the king of country music But Johnny Cash was also an uncertain country boy whose dreams were born in the cotton fields of Arkansas and who struggled his entire life with a guilt ridden childhood addictions and self doubt A sensitive songwriter with profound powers of musical expression Cash told America and the world the stories of a nation s heroes and outcasts Johnny Cash The Biography explores in depth many often overlooked aspects of the legend s life and career It examines the powerful artistic influence of his older brother Roy and chronicles Cash s air force career in the early 1950s when his songwriting took form and when he purchased his first guitar It uncovers the origins of his trademark boom chicka boom rhythm and traces his courtship of Bob Dylan in the folk revival era of the 1960s Johnny Cash also delves into the details of Cash s personal life including his drug dependency which dogged him long after many thought he had beaten it It unflinchingly recounts his relationships with his first wife Vivian Liberto his second wife June Carter Cash and his children And it follows Cash as man and musician from his early years of success through the commercially desolate years of the 1980s to his reemergence under the influence of producer Rick Rubin and association that revitalized his career yet raised contradictions about Cash s values and craft Scrupulously researched passionately told Johnny Cash The Biography is the unforgettable portrait of an enduring American icon

Johnny Cash Michael Streissguth, 2006-09-04 A biography of country music musician Johnny Cash

Thirty Years behind the Scenes with the Man in Black, Johnny Cash Allen Laton, 2025-02-04 I ll be the first to tell anyone how blessed my life in music has been How many can honestly say they met and became friends with their music idol Very rare indeed I had the blessing of meeting a legend in country music I met Johnny Cash for the first time in 1973 After the first night I met Johnny Cash in Maryland before his show I never dreamed A few weeks later I would

get a call from the man in black himself We quickly became friends and that friendship lasted until the day Johnny Cash died in 2003 thirty years of blessed friendship Johnny Cash introduced me to so many music legends not only in country music but also in rock and roll and folk music I am blessed to know the man in black and deeply thankful for his friendship

Johnny Cash Edward Willett,2017-12-15 This bio will be a favorite among your readers From the beginning of his career country music legend Johnny Cash The Man in Black was seen as a rebel a perception solidified when he took the stage for his famous concert at Folsom State Prison in 1968 Born in Arkansas during the Great Depression as a child Cash endured poverty the death of his older brother and a difficult relationship with his father He turned to gospel and country music to express his pain and eventually his songs of hardship and hope reached the ears of those waiting for an artist who represented them ordinary people fighting to survive just as he fought to survive his own lifelong battle with addiction Over the decades his career soared and floundered and then very late in life soared again as he found a whole new audience of young people who responded to the hard gritty truths he poured into every song a true rebel with a cause

Johnny Cash Greg Laurie,2019-08-20 Join Greg Laurie pastor and bestselling author of Steve McQueen The Salvation of an American Icon as he takes you on a personal journey into the life and legend of Johnny Cash At the peak of his career Cash had done it all living the ultimate rags to riches story of growing up on a cotton farm in the Deep South to becoming a Nashville and Hollywood sensation singing alongside heroes like Elvis Presley and performing for several American presidents But through all of this Cash was troubled By the time he released the iconic Man in Black album in 1971 the middle aged icon was broken down hollow eyed and wrung out In his search for peace Cash became embroiled in controversy He was arrested five times in seven years His drug and alcohol induced escapades led to car accidents and a forest fire that devastated 508 acres His time was divided between Jesus and jail gospel tunes and the Cocaine Blues But by the end of his

life Cash was speaking openly about his unshakeable faith What caused the superstar to turn from his conflicting passions to embrace a life in Christ Johnny Cash The Redemption of an American Icon dives deep into the singer s inner demons triumphs and gradual return to faith Laurie interviews Cash s family friends and business associates to reveal how the singer s true success came through finding the only Person whose star was bigger than his own Johnny Cash and Philosophy John Huss,David Werther,2011-08-31 Interest in the Man in Black has grown since his death in 2003 with increased record sales cover videos by groups like Nine Inch Nails and the 2006 biopic Walk the Line cementing his fame This book honors Cash by examining the many philosophical issues and concepts within his music From the gender confusion of A Boy Named Sue to the ethics of shooting a man just to watch him die philosophers who are fans of Johnny Cash explore the meaning and continuing importance of his work and legacy
