of Ceylon Sri Lanka and chronicles the zealous efforts of a Buddhist crusader and monk who wished to reform the religion in his native land and propagate it in the Western world Heart of a Lion William Stolzenburg, 2016-04-12 This is one stirring account of one stirring journey the trek of a fellow creature through a hostile man made world and through our imaginations Bill McKibben author of *EARTH MAKING A LIFE ON A TOUGH NEW PLANET* Late one June night in 2011 a large animal collided with an SUV cruising down a Connecticut parkway The creature appeared as something out of New England's forgotten past Beside the road lay a 140 pound mountain lion Speculations ran wild the wildest of which figured him a ghostly survivor from a bygone century when lions last roamed the eastern United States But a more fantastic scenario of facts soon unfolded The lion was three years old with a DNA trail embarking from the Black Hills of South Dakota on a cross country odyssey eventually passing within thirty miles of New York City It was the farthest landbound trek ever recorded for a wild animal in America by a barely weaned teenager venturing solo through hostile terrain William Stolzenburg retraces his two year journey from his embattled birthplace in the Black Hills across the Great Plains and the Mississippi River through Midwest metropolises and remote northern forests to his tragic finale upon Connecticut's Gold Coast Along the way the lion traverses lands with people gunning for his kind as well as those championing his cause *Heart of a Lion* is a story of one heroic creature pitting instinct against towering odds coming home to a society deeply divided over his return It is a testament to the resilience of nature and a test of humanity's willingness to live again beside the ultimate symbol of wildness

Lion Hearted Andrew Loveridge, 2018-04-10 Until the lion has its own storyteller tales of the lion hunt will always glorify the hunter Zimbabwean proverb In 2015 an American hunter named Walter Palmer shot and killed a lion named Cecil The lion was one of dozens slain each year in Zimbabwe which legally licenses the hunting of big cats But Cecil's death sparked unprecedented global outrage igniting thousands of media reports about the peculiar circumstances surrounding this hunt At the center of the controversy was Dr Andrew Loveridge the zoologist who had studied Cecil for eight years In *Lion Hearted* Loveridge pieces together for the first time the fascinating life and murky details of this beloved lion's slaying In the tradition of *Born Free* and *Gorillas in the Mist* *Lion Hearted* chronicles Loveridge's long acquaintance with a host of charismatic lions that his team has tracked often from birth to death Born and raised in Zimbabwe Loveridge learned to love predators at the knee of his father an eminent herpetologist who stored baby crocodiles in the family bathtub After earning his doctorate at Oxford he seized an invitation to study the lions of Zimbabwe's Hwange National Park There he meets Stumpy Tail who despite her name has the dignity of the Queen of the Animal Kingdom Dynamite a venerable coalition leader who muscled out by younger males sets off on an incredible thirty seven day 137 mile journey to find a new home and Kataza who escapes another lion's claws and whom Loveridge twice saves from death at the hands of humans And of course there is Cecil Dethroned in an epic battle he forms an alliance with a former rival He also becomes a favorite of photographers and tourists until the fateful night when a Minnesota dentist and his hunting guide entice the trusting cat with a free meal Loveridge

unravels the complexities of lion society and the dangers the cats face both within their ranks and from the outside world. Despite their ruthless reputation, lions can form deep emotional bonds. Females live in prides, a sisterhood of mothers, daughters, sisters, and aunts that can exhibit military precision when hunting in formation. Males band together in coalitions to vie for control of territory and the female prides. They also display a wide range of emotional behavior, including mourning the loss of their mates, partners, and cubs. Africa's lion population is estimated to have shrunk by 43 percent in the last twenty years. There may now be as few as 20,000 wild lions across the entire continent, far fewer than the number of elephants. While deploring the killing of lions for sport, Loveridge does not believe that banning trophy hunting by itself will halt the decline of Africa's lion populations. He sees greater threats in human population growth, the loss of habitat to agriculture, and the illegal trade in lion body parts for use in traditional medicines. And he offers concrete proposals for averting the lion's extinction. More than a gripping detective story, *Lion Hearted* is an exploration of humanity's relationship with the natural world and an attempt to keep this majestic species from disappearing. Lions are one of the most beloved animals on the planet. Loveridge observes, "They are the national symbol of no fewer than fifteen countries. Surely we can think of a better way to save the wild animals we love besides killing them."

The Lion's Army Mike Thompson, 2025-02-04. This book reveals the reality of two realms: the physical and the spiritual. Both are deeply intertwined, with events in the spiritual realm directly impacting the physical world. While nations rise against nations, political scenarios threaten our freedoms, and darkness overtakes our culture by calling good evil and evil good, there is hope. We can turn back this wave of darkness, but the answer is a spiritual one. The good news is that the Lord Jesus, the Lion of Judah (Rev. 5:5), has an army, the Lion's Army, into which we as His children have been called. To be effective in this army, we must embrace our assignments and be trained to wage effective spiritual warfare, impacting the physical realm. Our nation and culture are at stake. Through a series of open visions, the Lord granted Mike Thompson insight into the spiritual dimension, pulling back the curtain on the battle waging in the heavenly realm and revealing how we can access the truths needed for victory. This book teaches you how to discover the ways of the Spirit for the last days. You will discover how to walk in the Spirit and hear the voice of God. Obtain keys to healing, miracles, favor, and prosperity. Learn to recognize demonic strategies and deceptions. Utilize the godly weapons given to you for effective spiritual warfare. The battle has begun; the spiritual war is raging. Are you ready to fight?
