

THE MacArthur and the Man He Called 'Doc' **GENERAL**

by **ROGER OLAF EGEBERG, M.D.**

The General Macarthur And The Man He Called Doc

John C. McManus

The General MacArthur And The Man He Called Doc:

The General, MacArthur and the Man He Called 'Doc' Roger Olaf Egeberg, 1983 **The Thunder Within** John J. Heney, 2002 Marshall and His Generals Stephen R. Taaffe, 2011-10-18 General George C Marshall chief of staff of the U S Army during World War II faced the daunting task not only of overseeing two theaters of a global conflict but also of selecting the best generals to carry out American grand strategy Marshall and His Generals is the first and only book to focus entirely on that selection process and the performances both stellar and disappointing that followed from it Stephen Taaffe chronicles and critiques the background character achievements and failures of the more than three dozen general officers chosen for top combat group commands from commanders like Dwight Eisenhower and Douglas MacArthur to some nearly forgotten Taaffe explores how and why Marshall selected the Army's commanders Among his chief criteria were character including unselfish and devoted purpose education whether at West Point Fort Leavenworth or the Army War College and striking a balance between experience and relative youth in a war that required both wisdom and great physical stamina As the war unfolded Marshall also factored into his calculations the combat leadership his generals demonstrated and the opinions of his theater commanders Taaffe brings into sharp focus the likes of Eisenhower MacArthur George Patton Omar Bradley Walter Krueger Robert Eichelberger Courtney Hodges Lucian Truscott J Lawton Collins Alexander Sandy Patch Troy Middleton Matthew Ridgeway Mark Clark and twenty five other generals who served in the conflict He describes their leadership and decision making processes and provides miniature biographies and personality sketches of these men drawn from their personal papers official records and reflections of fellow officers Delving deeper than other studies this path breaking work produces a seamless analysis of Marshall's selection process of operational level commanders Taaffe also critiques the performance of these generals during the war and reveals the extent to which their actions served as stepping stones to advancement Ambitious in scope and filled with sharp insights Marshall and His Generals is essential reading for anyone interested in World War II and military leadership more generally Great Warrior Leaders/thinkers , 1989 The Generals Winston Groom, 2015-11-10 Celebrated historian Winston Groom tells the uniquely American tales of George Patton Douglas MacArthur and George Marshall from World War I to World War II These three remarkable men of arms who rose from the gruesome hell of the First World War to become the finest generals of their generation during World War II redefined America's ideas of military leadership and brought forth a new generation of American soldier Their efforts revealed to the world the grit and determination that would become synonymous with America in the post war years Filled with novel worthy twists and turns and set against the backdrop of the most dramatic moments of the twentieth century The Generals is a powerful action packed book filled with marvelous surprises and insights into the lives of America's most celebrated warriors MacArthur: A Biography Richard B. Frank, 2007-07-10 Douglas MacArthur is best remembered for his ability to adapt a quality that catalyzed his greatest accomplishments Adaptability has become an indispensable trait for

military leadership in an era of technological leaps that guarantee the nature of war will radically change during the span of an ordinary career One of the first proponents of a new dimension in warfare the Air Force MacArthur was also unmatched historically for his management of peace during the U S occupation of Japan For generations to come MacArthur s legacy will yield profitable and entertaining examples to Americans in and out of uniform *Douglas MacArthur* Arthur

Herman,2017-03-28 A new definitive life of an American icon the visionary general who led American forces through three wars and foresaw his nation s great geopolitical shift toward the Pacific Rim from the Pulitzer Prize finalist and bestselling author of *Gandhi* Churchill Douglas MacArthur was arguably the last American public figure to be worshipped unreservedly as a national hero the last military figure to conjure up the romantic stirrings once evoked by George Armstrong Custer and Robert E Lee But he was also one of America s most divisive figures a man whose entire career was steeped in controversy Was he an avatar or an anachronism a brilliant strategist or a vainglorious mountebank Drawing on a wealth of new sources Arthur Herman delivers a powerhouse biography that peels back the layers of myth both good and bad and exposes the marrow of the man beneath MacArthur s life spans the emergence of the United States Army as a global fighting force Its history is to a great degree his story The son of a Civil War hero he led American troops in three monumental conflicts World War I World War II and the Korean War Born four years after Little Bighorn he died just as American forces began deploying in Vietnam Herman s magisterial book spans the full arc of MacArthur s journey from his elevation to major general at thirty eight through his tenure as superintendent of West Point field marshal of the Philippines supreme ruler of postwar Japan and beyond More than any previous biographer Herman shows how MacArthur s strategic vision helped shape several decades of U S foreign policy Alone among his peers he foresaw the shift away from Europe becoming the prophet of America s destiny in the Pacific Rim Here too is a vivid portrait of a man whose grandiose vision of his own destiny won him enemies as well as acolytes MacArthur was one of the first military heroes to cultivate his own public persona the swashbuckling commander outfitted with Ray Ban sunglasses riding crop and corncob pipe Repeatedly spared from being killed in battle his soldiers nicknamed him Bullet Proof he had a strong sense of divine mission Mac was a man possessed in the words of one of his contemporaries of a supreme and almost mystical faith that he could not fail Yet when he did it was on an epic scale His willingness to defy both civilian and military authority was Herman shows a lifelong trait and it would become his undoing Tellingly MacArthur once observed Sometimes it is the order one disobeys that makes one famous To capture the life of such an outsize figure in one volume is no small achievement With *Douglas MacArthur* Arthur Herman has set a new standard for untangling the legacy of this American legend Praise for *Douglas MacArthur* This is revisionist history at its best and hopefully will reopen a debate about the judgment of history and MacArthur s place in history *New York Journal of Books* Unfailingly evocative close to an epic More than a biography it is a tale of a time in the past almost impossible to contemplate today as having taken place with MacArthur himself as a figure perhaps too remote to understand but all the more important

to encounter The New Criterion With Douglas MacArthur American Warrior the prolific and talented historian Arthur Herman has delivered an expertly rendered compulsively readable account that does full justice to MacArthur's monumental achievements without slighting his equally monumental flaws Commentary **Douglas MacArthur** Stephanie Sammartino McPherson, 2004-12-01 Examines the life and career of Douglas MacArthur including his childhood education and military experience *To the End of the Earth* John C. McManus, 2023-05-02 Winner of the Army Historical Foundation Award for Excellence in U S Army Writing From the liberation of the Philippines to the Japanese surrender the final volume of John C McManus's trilogy on the US Army in the Pacific War Brilliant and riveting a truly great book Gen David Petraeus Triumphant and compelling Richard Frank McManus is one of the best if not the best World War II historians working today World War II magazine The dawn of 1945 finds a US Army at its peak in the Pacific Allied victory over Japan is all but assured The only question is how many more months or years of fight does the enemy have left John C McManus winner of the Gilder Lehrman Prize for Military History concludes his magisterial series described by the Wall Street Journal as being as vast and splendid as Rick Atkinson's Pulitzer Prize winning Liberation Trilogy with this brilliant final volume On the island of Luzon a months long stand off between US and Japanese troops finally breaks open as American soldiers push into Manila while paratroopers and amphibious invaders capture nearby Corregidor The Philippines are soon liberated and Allied strategists turn their eyes to China Iwo Jima Okinawa and the Japanese home islands themselves Readers will walk in the boots of American soldiers and officers braving intense heat rampant disease and a by now suicidal enemy determined to kill as many opponents as possible before defeat and they will encounter Japanese soldiers faced with the terrible choice between capitulation or doom At the same time this outstanding narrative lays bare the titanic ego and ambition of the Pacific War's most prominent general Douglas MacArthur and the complex challenges he faced in Japan's unconditional surrender and America's lengthy occupation Army, 1984

Yeah, reviewing a books **The General Macarthur And The Man He Called Doc** could amass your near contacts listings. This is just one of the solutions for you to be successful. As understood, expertise does not suggest that you have wonderful points.

Comprehending as competently as harmony even more than further will give each success. next-door to, the statement as well as sharpness of this The General Macarthur And The Man He Called Doc can be taken as with ease as picked to act.

The General Macarthur And The Man He Called Doc Introduction

In the digital age, access to information has become easier than ever before. The ability to download The General Macarthur And The Man He Called Doc has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The General Macarthur And The Man He Called Doc has opened up a world of possibilities. Downloading The General Macarthur And The Man He Called Doc provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The General Macarthur And The Man He Called Doc has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The General Macarthur And The Man He Called Doc. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The General Macarthur And The Man He Called Doc. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The General Macarthur And The Man He Called Doc, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The General Macarthur And The Man He Called Doc has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The General Macarthur And The Man He Called Doc Books

1. Where can I buy The General Macarthur And The Man He Called Doc books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The General Macarthur And The Man He Called Doc book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The General Macarthur And The Man He Called Doc books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The General Macarthur And The Man He Called Doc audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.
