The Genesis War Stewart Ryan Shields, 2002-04-01 **The Non-Prophet's Guide™ to Spiritual Warfare** Todd Hampson, 2020-09-01 Everything you need to know about fighting and winning your spiritual battles Even as a Christian it can be difficult to discern the facts about the supernatural nature of good and evil How much has pop culture influenced our ideas about angels and demons Why do we as Christians face spiritual warfare when the Holy Spirit dwells within us What limits exist on Satan's powers In *The Non Prophet's Guide to Spiritual Warfare* bestselling author and illustrator Todd Hampson gets to the heart of your questions about spiritual battles angels demons the nature of evil and more With Todd's signature combination of light hearted illustrations and thoughtful applications of Scripture this guide is both easy to understand and deeply informative You will learn to discern between cultural myths and biblical facts about the supernatural recognize the real threats you face while remaining grounded in God's truth understand why being ready to stand against demonic influence is more important now than ever before *The Non Prophet's Guide to Spiritual Warfare* will give you the resources you need to champion spiritual battles while inspiring you to dive deeper into God's Word to equip yourself with truth The War on Christmas Bodie Hodge, 2013-10-01 Is it a bunch of pagan symbols Christianized for the celebration Why is our concept of Christmas so important for those who don't believe in Jesus Most may say Christmas is about the birth of Jesus but are we truly worshiping Him or just celebrating the earthly gifts we give ourselves Filled with family get togethers office parties breaks from school decorating the tree and more Christmas is a time of peace and love So why has so much controversy clouded this sacred holiday It has become ground zero in an ongoing culture war where Nativity scenes are nixed Merry Christmas becomes Happy Holidays and even the word Christmas is considered by some as offensive Find the truth about Christmas and the Christian's response to a culture that seems to be declaring war *The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation* Leslie C. Exploring Genesis John Phillips,2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine *The Military Guide to Armageddon* Col. David J. Giammona,Troy Anderson,2021-01-05 We are at war right now The forces of light and darkness are lined up in battle array as the world moves closer to the end of the age Using both military and spiritual warfare tactics this U S Army colonel and Pulitzer Prize nominated journalist equip you as a believer to be battle ready This training manual will teach you to be empowered to counter the darkness of approaching end times forces develop your spiritual gifts so you can walk in the supernatural power and protection of the Holy Spirit move into a new level of spiritual warfare based on biblical and military principles study the Bible more intently as real time world events and biblical prophecies intersect As the end times draw near prepare to be fully equipped and trained in the weapons of spiritual warfare You are gifted by the Holy Spirit now be empowered disciplined and courageous ready to do battle with the forces of this present darkness in these last days *World War III - Unmasking the End-Times Beast* Rabbi Simon Altaf,2011-06-01 Many people have questions today regarding why the Muslims hate us and why do they want to bomb us This book reveals the cause and effect and reveals what the ancient prophets wrote regarding the position of Islam in the end of days Many Christians have been prophesying of a one world government a reunification of all currencies of sort Is this hypothesis at all possible The other big question raised is will radical Muslims acquire a nuclear bomb to attack the cities of Europe and the US via a make shift bomb What nations in the west will make an alliance to fight back How will Saudi Arabia participate all these and other questions answered in this text **3 1-2 Days to Forever** B. Craig Moore,2024-08-28 3 1 2 Days to Forever is the book that unlocks the secrets of

the identity of Mystery Babylon which are hidden in the name and number 666 of the beast all the while proving the meaning of the rapture The sum total of which is written in a sealed timeline until now Daniel the prophet and John the apostle both saw it and understood it and now it is time for you to know it The Bible the whole Bible is a clock which proves our story This world s days as we know them come to their end It is time for you to drop your religion and believe what God has been saying all this time A story the same story written from the beginning Genesis to the end Revelation All having the same purpose A proving of whose image will still be standing when the smoke clears Remember this is not an allegory this is literal The sixth trump nuclear war comes soon the first of three great end time battles that will end mankind s reign as kings with dominion over this earth Know this the name and the number of the beast are here right now Be warned Noah was a preacher of righteousness who proclaimed the end was coming and no one believed him Read this book and believe what the Bible says because when Jesus the Bible says something it means something that makes sense something that affects the whole world When you understand who s who and who the witnesses are everything becomes clear 3 1 2 Days to Forever proves the Bible s timeline and reveals the final reasons this piece of the master the Bible was given to mankind And that reason is so that we can all know when the Holy One of God will return Not the day and hour but a specific timeline to things past present and future We are the timekeepers

Apocalyptic Visions and The Great Day of The Lord Dr. K. M. Ware, 2021-06-23 The Bible book of Revelation is a prophetic warning of God s judgment upon mankind It was presented in visions to Apostle John who transmitted it to the early congregations at the beginning of the Christian era An accurate understanding of the Word of God in general and Revelation more specifically can mean the difference between life or death the difference between an eternal life of bliss in the kingdom of God or eternal death in the lake of fire Apocalyptic Visions endeavors to provide such an understanding Revelation reveals the culmination of a spiritual battle between God and Satan It is a struggle for the very souls of mankind Satan has made a challenge to the sovereignty of God and the motivations of man The continued existence of man is at stake The first prophecy of Genesis sets the stage for the whole theme of the Word of God and Revelation brings it to a close There are four distinct principles in Revelation and a clear understanding of these elements and their interaction brings God s plan for mankind into focus The serpent and his seed are at war with a woman and her seed It is important that those who wish to please God be well informed with his will and commands Those who live in accordance with the will of God receive part in the blessings of the kingdom of God
