The British National Bibliography Arthur James Wells, 2006 *Methodologies in Critical Terrorism Studies* Alice E. Finden, Carlos Yebra López, Tarela Ike, Ugo Gaudino, Samwel Oando, 2024-01-04 This interdisciplinary book presents an intervention into methodological practices in the subfield of Critical Terrorism Studies and features established and early career scholars The volume interrogates the role that research methods play in shaping the sub discipline of Critical Terrorism Studies CTS It responds to two major methodological gaps within CTS 1 the dearth of Global South cases and voices and decolonial and feminist approaches and 2 the lack of engagement with traditional disciplines and quantitative methods Together authors demonstrate that interdisciplinary methodological dialogues can open up new possibilities for researchers seeking pathways towards and definitions of emancipation social justice and freedom from violence Simultaneously the book shows that by focusing on the possibilities that methodologies open up to us and by maintaining a commitment to reflexive practice we expand our understandings of what are legitimate and acceptable forms of research thus challenging the Critical Terrorism Studies divide The chapters draw upon a wide range of empirical cases including Nigeria Kenya France Brazil and the UK focusing on three key issues within Critical Terrorism Studies its own relationship with and perpetuation of epistemic violence decolonial postcolonial Global South feminist and queer approaches and more traditional approaches and methods as a means to interrogate the methodological binary between Critical Terrorism Studies and Terrorism Studies This book will be

of much interest to students of critical terrorism studies counter terrorism security studies and International Relations in general Subject Guide to Books in Print ,2001 **Toward Filipino Self-Determination** E. San Juan Jr.,2010-07-02
Granted formal independence in 1946 the Philippines serves as a battleground between the neoliberal project of capitalist globalization and the enduring aspiration of Filipinos for national self determination More than ten million Filipino workers over one tenth of the country s total population work as contract workers in all parts of the world How did this model colony of the United States devolve into an impoverished war torn neocolonial hinterland a provider of cheap labor and raw materials for the rest of the world In *Toward Filipino Self Determination* E San Juan Jr explores the historical cultural and political formation of the Filipino diaspora By focusing on the work of significant Filipino intellectuals and activists including Carlos Bulosan and Philip Vera Cruz as well as the issues of gender and language for workers in the United States San Juan provides a historical materialist reading of social practices discourses and institutions that explain the contradictions characterizing Filipino life in both the United States and in the Philippines *Essential Concepts in Sociology* Anthony Giddens,Philip W. Sutton,2021-05-04 Social life is in a constant process of change and sociology can never stand still As a result contemporary sociology is a theoretically diverse enterprise covering a huge range of subjects and drawing on a broad array of research methods Central to this endeavour is the use of core concepts and ideas which allow sociologists to make sense of societies though our understanding of these concepts necessarily evolves and changes This clear and jargon free book introduces a careful selection of essential concepts that have helped to shape sociology and continue to do so Going beyond brief dictionary style definitions Anthony Giddens and Philip W Sutton provide an extended discussion of each concept which sets it in historical and theoretical context explores its main meanings in use introduces relevant criticisms and points readers to its ongoing development in contemporary research and theorizing Organized in ten thematic sections the book offers a portrait of sociology through its essential concepts ranging from capitalism identity and deviance to the digital revolution environment postcolonialism and intersectionality It will be essential reading for all those new to sociology as well as anyone seeking a reliable route map for a rapidly changing world American Book Publishing Record ,2003

Renegade Kids, Suburban Outlaws Wayne S. Wooden,Randy Blazak,2001 Topics covered include exploring boundary between deviance and criminality in the lives of young people who are deeply involved in the youth culture show how youth culture is not a set of categories so much as it is a dynamic and creative response to the confusions of growing up in modern society
