The Golems Mighty Swing:

The Golem's Mighty Swing James Sturm, 2021-04-16 A new edition of the classic tale of a barnstorming Jewish baseball team during the Great Depression Before penning his acclaimed graphic novel *Market Day* and founding the Center for Cartoon Studies James Sturm proved his worth as a master cartoonist with the eloquent graphic novel *The Golem's Mighty Swing* one of the first breakout graphic novel hits of the twenty first century Sturm's fascination with the invisible America has been the crux of his comics work exploring the rarely told or oft forgotten bits of history that define a country By reuniting America's greatest pastime with its hidden history the graphic novel tells the story of the Stars of David a barnstorming Jewish baseball team of the depression era Led by its manager and third baseman the nomadic team travels from small town to small town providing the thrill of the sport while playing up their religious exoticism as a curio for people to gawk at heckle and taunt When the team's fortunes fall the players are presented a plan to get people in the stands But by placing their fortunes in the hands of a promoter the Stars of David find themselves fanning the flames of ethnic tensions Sturm's nuanced composition is on full display as he deftly builds the climax of the game against the rising anti semitic fervor of the crowd Baseball small towns racial tensions and the desperate grasp for the American Dream *The Golem's Mighty Swing* is a classic American novel

Golem's Mighty Swing James Sturm, 2002-04-01 Set in the 1920's this picture novel tells the story of The Stars of David a Jewish baseball team When their season is threatened they bring to life a Golem a legendary Jewish creature that they hope will deliver them from their trials This is a classic American baseball story

on some of the most popular and significant renditions of this story in order to unravel the paradoxical coincidence of wartime destruction and the fantasy of artificial creation Due to its aggressive and rebellious sides the golem became a means for reflection about how technological progress has altered human lives as well as an avenue for experimentation with the media and art forms capable of expressing the monstrosity of war
