Mysticism Evelyn Underhill, 2023-12-27 Evelyn Underhill s Mysticism serves as a comprehensive exploration of the spiritual experience known as mysticism examining its diverse expressions across various cultures and religions Underhill employs a lyrical and analytical literary style weaving together historical context with personal insight manifesting a strong understanding of both philosophical and theological dimensions of the subject The book distinguishes

between the mystical life and traditional religious practice providing readers with a framework for comprehending the deep seated unity encountered within diverse mystical traditions while elegantly navigating the intricacies of these transcendent experiences Evelyn Underhill was a prolific writer and an early 20th century theologian whose deep interest in spirituality was shaped by her own personal mystic experiences and her extensive study of religious history Her background in philosophy and literature complemented by her profound engagement with the themes of spirituality catalyzed her to pen a work that not only dissects mysticism as a concept but also contextualizes its importance in the modern spiritual landscape Her first hand reflections on mysticism bring authenticity and depth to her arguments echoing the struggles and triumphs of seekers of divine truth Mysticism is highly recommended for readers interested in spiritual traditions philosophy or the search for deeper meaning in life Underhill s eloquent prose and insightful analysis offer profound revelations that invite contemplation and exploration of the inner dimensions of faith This captivating study is an essential read for anyone wishing to understand the transformative power of mystical experience across ages and cultures *Process Mysticism* Daniel A. Dombrowski,2023-01-01 *Process Mysticism* uses the process philosophies of Charles Hartshorne Alfred North Whitehead and Henri Bergson to explore mystical religious experiences The aim is not so much to demonstrate that such experiences are true or veridical as it is to understand in a William Jamesian fashion how they could be possible and not contradict the concept of God held by philosophers and theologians Divine world inclusiveness ideal power and tragedy the ontological argument asceticism and the via negativa divine visions and voices and the aesthetics and ethics of mysticism are all treated in detail The book is ecumenical in that it is meant to illuminate mystical experiences as they occur around the world in different religious traditions but the author is especially familiar with those in the Abrahamic religions Mysticism can refer to either direct experience of God or the claim that such experience is ineffable and both senses of the term are carefully analyzed in the book **MYSTICISM (Complete Edition)** Evelyn Underhill,2018-12-21 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices The spirit of Mysticism is romantic engaged and theoretical rather than historical or scientific Underhill has little use for theoretical explanations and the traditional religious experience formal classifications or analysis She dismisses William James pioneering study *The Varieties of Religious Experience* 1902 and his four marks of the mystic state ineffability noetic quality transience and passivity Excerpt All men at one time or another have fallen in love with the veiled Isis whom they call Truth With most this has been a passing passion they have early seen its hopelessness and turned to more practical things But others remain all their lives the devout lovers of reality though the manner of their love the vision which they make to themselves of the beloved object varies enormously Some see Truth as Dante saw Beatrice an adorable yet intangible figure found in this world yet revealing the next **The Quest of Reality** A. Wyatt Tilby,1927 **Christian Mysticism Considered in Eight Lectures Delivered Before the University of Oxford** William Ralph Inge,1899 *Literary Studies* Donald E. Hayden,1978 *Christian Mysticism* William

Ralph Inge,1913 **The Nation** ,1917 **Mysticism** Evelyn Underhill,1919 *The Singing of Mount Abora* Herbert
Walter Piper,1987 This volume reveals new perspectives on the sources of Coleridge s vivid symbolism and on the religious
nature of his quest for joy It offers a close analysis of *The Ancient Mariner* *Kubla Khan* and *Christabel* and a discussion of
Coleridge s influence on the other Romantic poets *The Universalist and Ladies' Repository* ,1844
