The Nashville Numbering System:

The Nashville Number System Chas Williams, 2001-04-01 The Nashville Number System was originally written and published in 1988 by Chas He has rigorously updated and edited the book for each of 7 subsequent editions Featured here is the 2005 printing and 7th edition of The Nashville Number System expanded with the inclusion of the cd cd rom String Of Pearls By word of mouth it has become the most recommended source for learning the Number System The Nashville Number System is used as a text at Berklee College of Music in Boston Belmont University in Nashville and MTSU in Murfreesboro TN SYNOPSIS In the late 50 s Neil Matthews devised a musical number system for the Jordanaires to use in the studio Charlie McCoy and fellow studio musicians began adapting Matthews number system into chord charts The Nashville Number System has evolved into a complete method of writing chord charts and melodies combining Nashville shorthand with formal notation standards The Nashville Number System is 130 pages with a step by step method of how to write a Nashville number chart for any song Included with each NNS book in Edition 7 is the cd String Of Pearls This is a 10 song cd of instrumentals including Amazing Grace I walk you through the details of each song and explain the Number System tools used to write the charts Now while listening to the cd you can see and hear how Nashville number charts work String Of Pearls is an Extended CD CD ROM As well as high quality audio that will play in your cd player you can insert the disc into your computer and watch animated number charts as you listen to the songs On the cd rom there is a click track with each song and a highlight moving from chord to chord in time with the music You can see exactly how to count each measure in real time with the music Counting bars is probably the hardest part of the number system to teach With this cd rom you will be able to see hear and feel how these charts work **The Nashville Number System GigBook** Chas Williams, 2015-01-01

The Nashville Number System GigBook is a collection of handwritten Nashville number style chord charts The charts are of cover songs a musician is likely to play at gigs in Nashville clubs bars and live music venues The charts are all handwritten by Chas Williams author of The Nashville Number System **Guide to Capo, Transposing, & the Nashville Numbering System** Dix Bruce, 2017-02-07 This Mel Bay Qwikguide begins with basic music theory about scales and keys and teaches how to transpose several songs with and without the capo Then we look at chords in keys and explore some typical chord progressions by swapping numbers one four five for the chord names D G A Finally we study the Nashville Numbering System in depth by examining different notation styles and converting several well known songs to number charts The more advanced number charts show detailed arrangements with modulations intros extros a variety of chords repeats fermatas strum patterns beat accents and much more If you re interested in why the capo works as it does if you re a songwriter or gigging musician who needs to know how to read write and understand Nashville Number charts this book is for you
