Underlying this work is Blair's humble but all encompassing devotion to Christ. An essential resource for all involved in funerals and weddings, this book is one of a kind. Mike Inman, Chaplain, Hospice of Siouxland, Sioux City, Iowa, has found Robert Blair's *The Funeral And Wedding Handbook* to be very helpful. It is well written, informative, practical, and contemporary for today's minister. It is a great resource book both for students preparing for ministry and those who have for many years served the Lord's people during these very important stages in life. Having this book is like having a good friend who's always ready to answer the how to and what to questions that come up in these situations. I highly recommend it to all ministers. A graduate of Pepperdine University, B.A., M.A., Blair now resides in Cleghorn, Iowa. His writings have appeared in *Leadership* and *Leadership Handbooks of Practical Theology*. ***Wedding Handbook*** Pt. Mohan Ramphal, 2018-08-27. Marriage is an institution suitable for beings of higher intelligence as we are. This book on the Vivah Samskar or Wedding Ceremony is an in-depth guide on the performance of the ceremony. It provides a detail step by step guide as to how and why this ceremony is performed. Written in both Hindi and English in an easy to read format, the reader will find it to be a valuable source of information for his or her handy collection. ***Wedding Chic*** Nina Willdorf, 2005. A budget conscious guide to planning the perfect wedding explains how to create a stylish ceremony without paying a fortune, offering practical advice on everything from wedding planners and flowers to photographers, entertainment, honeymoons, and caterers. Original. ***The Day I Turned Uncool*** Dan Zevin, 2012-06-12. Available for the first time in eBook from the master of Seinfeldian nothingness. Time a comic not so coming of age tale of transitioning from his twenties to his thirties, recently optioned by Adam Sandler along with *Dan Gets a Minivan*. Sooner or later, each of us must face the day we develop a disturbing new interest in lawn care, the day we order Sauvignon Blanc instead of Rolling Rock, the day we refuse to see any concert where we cannot sit down. Sooner or later, each of us must face the day we turn uncool. Dan Zevin, who was never exactly Fonz-like to begin with, is having a hilariously hard time moving from his twenties to his thirties, and he confesses everything in these witty self-deprecating tales. As he shamefully employs his first cleaning lady, becomes abnormally attached to his dog, and commits flagrant acts of home improvement, Dan's headed for an early midlife crisis and a better late than never revelation. Growing up is really nothing to be reluctant about. In fact, it's very cool. ***The Bride's Handbook*** Amy J. Tol, 2005-04-01. Author Amy J. Tol dreamed of planning her wedding since she was a little girl. But when that time finally arrived, she found as many future brides do, that the actual preparations can be overwhelming. When this happens, Christian brides just long for a little spiritual guidance. They'll find it in this book. Amy now offers brides to be a wedding planner that not only gives practical ideas and advice but also presents spiritual reflections on what it means to be a bride of God. Here, all future brides have the unique opportunity to think about God's character, their faith, and their heart. As a result, they will be less frazzled and more focused spiritually and emotionally as they plan for their wedding and the new life.
