

Introduction to Cartography

A detailed, colorful historical map, likely a 17th-century world map, serves as the background. The map features a grid of latitude and longitude lines. In the top left corner, there is a circular compass rose with a figure holding a staff. The map is filled with intricate details, including various geographical features, buildings, and figures. The title "Introduction to Cartography" is overlaid in large, white, sans-serif font across the center of the map.

The New Cartography
