

An aerial, high-angle view of Piccadilly Circus in London. The image is a composite where ghostly, translucent figures of people are overlaid onto the modern-day scene. The figures appear to be walking along the sidewalks and crossing the street, mirroring the movement of the modern pedestrians. The architecture is a mix of classical and modern, with ornate buildings on the left and a more modern building on the right. The street is filled with cars and pedestrians. The sky is a hazy, overcast grey. The overall tone is mysterious and historical.
