**The Glory Field** Walter Dean Myers, 2001\*      **A Study Guide for Walter Dean Myers's "The Glory Field"** Gale, Cengage Learning, 2016-07-12 A Study Guide for Walter Dean Myers's *The Glory Field* excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Novels for Students* for all of your research needs.      **Study Guide**, 2001      *The Glory Field* Walter Dean Myers, 1996 ALA best book for young adults. This is the true story of one family captured, shackled, and brought to this country from Africa.      **Tending to the Past** Karen Michele Chandler, 2024-01-18 In many popular depictions of Black resistance to slavery, stereotypes around victimization and the heroic efforts of a small number of individuals abound. These ideas ignore the powers of ordinary families and obscure the systematic working of racism. *Tending to the Past: Selfhood and Culture in Children's Narratives about Slavery and Freedom* examines Black-authored historical novels and films for children that counter this distortion and depict creative means by which ordinary African Americans survived slavery and racism in early America. *Tending to the Past* argues that this important, understudied historical writing, freedom narratives, calls on young readers to be active critical thinkers about the past and its legacies within the present. The book examines how narratives by children's book authors such as Joyce Hansen, Julius Lester, Marilyn Nelson, and Patricia McKissack, and the filmmakers Charles Burnett and Zeinabu irene Davis were influenced by Black cultural imperatives such as the Black Arts Movement to foster an engaged, culturally aware public. Through careful analysis of this rich body of work, *Tending to the Past* thus contributes to ongoing efforts to construct a history of Black children's literature and film attuned to its range, specificity, and depths. *Tending to the Past* provides illuminating interpretations that will help scholars and educators see the significance of the freedom narratives' reconstructions in a neoliberal era, a time of shrinking opportunities for many African Americans. It offers models for understanding the powers and continuing relevance of the Black child's creative agency and the Black cultural practices that have fostered it.      *The Divine Matrix Connection. Total Integration with the Quantum Field of Infinite Possibilities. Scientific Overview* Ana-Stasi Fennell, 2019-10-16 All souls are born from the nursery of Light called the Divine Matrix. We came to this adventurous plane called Earth as Star Beings operating through the brilliant pinpoint of Our Supramental consciousness focused within our physical bodies.
