The Gnostics The New Versions And The Deity Of Ch:

The Gnostics, the New Versions and the Deity of Christ Jay P. Green, Sr., George Whitefield, 2000-07 If Jesus Christ is not God of the same essence with God the Father and God the Holy Spirit having all the attributes of the Trinity while on earth as well as while He reigned in Heaven then we of all men are most miserable And how do we know that He is and always has been God from eternity It is written in the Holy Scriptures But what if the version of the Bible we read is ambivalent in one place saying He is co equal with God and in another place denying Him one or more of the attributes that are essential to God Read this book and you will see that all but three of the new versions are guilty of denying Christ s goodness sinlessness omnipresence omniscience omnipotence and a dozen more of the attributes of God You will see it written in black and white with exact quotations from eight of the new versions This important challenge to the trend so evident in the new versions the despising of the words God breathed out through the prophets and apostles and the mixing in of the corrupt wisdom of men ought to be supported by every one of you who love God and His Word as HB wrote it
