Gourmont and other contemporaries while shaping the path for future writers like H P Lovecraft and J R R Tolkien Lord Dunsany was a playwright novelist and poet who emerged from the Anglo Irish literary revival His aristocratic upbringing and profound interest in mythology and the occult greatly influenced his storytelling Having experienced the horrors of World War I Dunsany turned to fantasy as a means of escapism and reflection on the human condition creating this remarkable compilation that resonates with both ancient wisdom and modern existential inquiries Time and the Gods is highly recommended for readers seeking an escape into fantastical realms that provoke thought on the nature of time and divinity Its exquisite prose and imaginative narratives will captivate those intrigued by mythology while offering a meditative experience on fate and the human spirit Dive into this timeless classic and let Dunsany s enchanting words transport you to a world where dreams collide with reality *The God of Clay (Classic Reprint)* H. C. Bailey,2015-07-12 Excerpt from The God of Clay The men and women of whom I tell lived through the storm in which the old world passed the Revolution that brought France liberty and the Terror and Napoleon You know how the spirit of man long cheated and chained broke fiercely forth and swept the old tyrant powers away and made France a clean land where free men could live how in the first of its strength this new world force half divine and all human turned away from things as they are and gave ear to the pretty stories of sentimentalists and logicians Marat and Robespierre and St Just till it was driven mad and wrought reasonless ghastly havoc till the glorious vision a nation of free men and friends ended in blood smirched chaos Then out of the chaos men cried as ever men will for order and law whatever the cost And there came Napoleon the brain of a god and a mean man s heart He brought them order He wrought Frenchmen into such a weapon for mankind s conquest as the world had never known He wielded it with a greedy ruthless skill that dazzles and dazes yet Never in any man else has dwelt such force as his Of him of men and women who loved him sometimes I write here how their lives crossed and clashed under the fool s tyranny of old France amid the rushing murderous mad pageant of the Terror and again and yet again when Napoleon had won power and glory and worship and hate and pity Will you say which he most deserved About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Norse Mythology: The Gods, Goddesses, and Heroes Handbook** Kelsey A.
