The God Of Second Chances:

The God of Second Chances Stephen Arterburn, 2010-09-20 A second chance all of us have needed one at some point in our lives As children we beg our parents to give us just one more chance As adults we turn our pleadings to God for another opportunity just to start over again In this revised and updated version of *The God of Second Chances* author Stephen Arterburn takes us through his own journey of pleasure seeking and ambition to a life changing encounter with the reality of God's grace Arterburn is painfully honest sharing his personal experiences with sexual immorality that culminated in the abortion of his child It was then desperate and at the end of himself that Arterburn cried out to God for a second chance Through his willingness to share his struggles Arterburn helps us to confront our failures and reach out for God's restorative touch With a gentle humor he encourages us to look beyond ourselves and discover the joy in serving others and investing in the things that really matter In doing so we will learn what it is to be restored to God through unconditional surrender and receive healing from the scars left by our own mistakes

The God of Second Chances Erik Kolbell, 2008 *The God of Second Chances* Mike Mazzalongo, 2017-01-03 The story of David and Bathsheba is used to illustrate the gracious nature of God's character and the power of His forgiveness

The God of Second Chances Jess Green, 2017-08-08 In this book the author encourages readers to have faith and look to the God of second chances in everything they do She takes readers through the journey of her own life and shows that with faith in God one can triumph over great adversities She shares her shameful conception and challenging childhood Her two near death experiences and an unexplained event that to this day still plays on her mind She shares her highs as a young married woman in love and her lows as a single mother raising two children in a foreign land with no relatives to look to She also highlighted strongly that is not where one starts in life but where they finish that will feature strongly in the story of their lives and the legacy that they will leave for the next generation The author reassures readers that no matter how long they have to wait God have a plan for their lives and no matter how bad things get He will deliver them He is a God that keeps His promises for a thousand generation

The God of Second Chances Don Baker, 1991-01-01 The Bible says that no prophet emerged from Israel like Moses He knew God face to face and indeed he was called a friend of God This is high praise for somebody who spent his first forty years as a nobody But how did Moses become a somebody He did it through trial and error through his failures and God's forgiveness The Lord refined and remade Moses by giving him many second chances God works in our lives the same way he's still giving away second chances His goal for us is not a trouble free life or a prosperous existence God's goal is transformation change from the basic raw product to a faithful obedient and refined disciple of Jesus Christ Such transformation takes time It takes buffing It requires abrasives Sometimes it's painful But God knows just what it takes to get us there He did it with Moses and he can do it with us What we need in the midst of life's baffling and bewildering experiences is not an explanation but just a deeper understanding of the God of second chances

The God of Second Chances Ron Clark, 2012-09-13 When the

people of Judah were taken captive by the Babylonians their world was drastically changed While in exile they experienced shame guilt fear and displacement However their God had been traumatized by their behavior and also grieved with them Yet Yahweh gave them a second chance by forgiving them and bringing them home God offered them hope mercy and love The prophets were God's chosen messengers not only to provide a new vision of what could be but to suffer with the people These servants were caught in the middle between a passionate God and traumatized people As the people returned to Jerusalem to rebuild their city and their lives the prophets were with them to remind them that God had not abandoned them The author suggests that the prophets live on today through the church as those who engage their community fight for people's hearts and remind others that God gives second chances Clark shares stories from his personal ministry to the marginalized in Portland Oregon who seek relief from shame suffering and hopelessness In this hope our community receives new vision through a loving God and persistent prophets
