Commentary on Revelation Charles Taylor, 2012-10-08 Elder Charles Taylor is a fourth generation ordained Primitive Baptist pastor He has written a powerful Commentary on the book of the Bible which is frequently misunderstood misused or ignored He has delineated the elements which often cause confusion or have been used to scare people He shows that the imagery would have been understood by first century Jews and Christians

Outlines and Exposition of the Apocalypse; Or, Revelation of St. John Bennet Harvey, 1867 *Commentary on Revelation, Or, the Apocalypse* Ethelbert Bullinger, 2007-11-01 With a surprising number of people professing a belief that we are living in the Biblical End Times this lively 1902 deconstruction of the Book of Revelation is even more relevant than ever Analyzing the final chapters of the Bible on a verse by verse basis and finding much to be contentious about particularly when it comes to other interpretations of the book Bullinger reveals a powerful devotional way to approach Revelation British clergyman ETHELBERT WILLIAM BULLINGER 1837 1913 was one of the most respected Bible scholars of the 19th century He is author of numerous works including Great Cloud of Witnesses and How to Enjoy the Bible

The A, B, Come and See Revelation Elder James Stroud, 2021-08-05 From the most seasoned theologians to the newest Bible study student A B Come and See Revelations enlightens each reader by demystifying one of the most complicated books of the bible Bible scholars have tediously dedicated decades to the sole study of the book of Revelation which has left many perplexed and unresolved This is understandable because although Revelations begins and ends like an ancient letter and identifies itself as prophecy it contains edicts from the risen Christ a sevenfold series of seven part visions hymns hope for the faithful condemnation for the unbeliever and is saturated with visually unimaginable supernatural and inexplicable beings Occurrences are neither chronologically bound nor explicitly revealed by locations However author James Stroud provides a

scriptural elixir by not simply relying on the book of Revelations itself but he responsibly and exhaustively researches historical texts maps Greek and Hebrew manuscripts ancient linguistics along with other key components to bring clarity and relevancy to each passage This author proves to be an expert in transforming what has been most often identified as a book of doom and gloom into an easy to decipher book revealing messages of encouragement hope and infinite love In his thorough cross referencing and deciphering of Old and New testament symbolism it is made quite apparent that A B Come and See Revelations will lead you into the revelation of Jesus Christ This book will quickly become a favorite staple in your reference library

The Revelation of Jesus Christ Dr. Brian J. Bailey, 2015-09-18 This easy to read commentary on the book of Revelation will bring clarity to some of the major issues of our time It will show that before the Second Coming of Christ a series of events must take place The Two Witnesses must appear as well as the Ten Kings and the Man of Sin Dr Bailey dispels the confusion surrounding these awesome revelations of the Apostle John while placing an emphasis on not only knowing the truths of the last days but being prepared through holiness in order to meet the Lord in the clouds

Revelation Explained Lerry W. Fogle, 1995

The Rapture: From the Ground Up Richard L. Guthrie, 2014-04 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2:3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture The Rapture From the Ground Up explores these and many more questions related to the end time events surrounding the Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of God's Word

The Great Tribulation! Richard Guthrie, 2014-12-12 The end times contain many exciting events we are all familiar with and think we fully understand The appearance and domination of the Antichrist throughout the world The rise and global domination of the Revised Roman Empire resulting in a One World Government The Mark of the Beast that makes trade impossible anywhere on the Earth The universal devastation wrecked by the Four Horsemen of the Apocalypse The

appearance of the spiritual harlot of Mystery Babylon and the end time false religion However consider the following What if the Antichrist will not become the universal or worldwide leader What if the Mark of the Beast is regional rather than global What if there is no Revised Roman Empire What if the Four Horsemen of the Apocalypse have already been loosed What if Mystery Babylon could never be the Roman Catholic Church Who did Jesus identify as the Mystery Babylon of Revelation What if the Twelfth Imam the Islamic Messiah is slain in the rebuilt Jewish Temple Why is it impossible to know the identity of the Antichrist until certain events unfold Why are the dates of the Rapture and that of the Second Coming both unknowable Who is left to enter into the Millennial Kingdom if there s a Post Tribulational Rapture Why are the identities of the two end time prophets unknowable What country is poised to play a major role within these end time events In a detailed and thorough analysis of Scripture The Great Tribulation explores these and many more questions related to the end time events in a step by step approach Using a literal interpretation of Scripture this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice

Revelation William C. Weinrich, Thomas C. Oden, 2014-02-19 The Revelation to John with its vivid images and portraits of conflict leading up to the formation of a new heaven and a new earth was widely read even as it was variously interpreted in the early church Drawing heavily on both Eastern and Western ancient commentators much appearing in English for the first time this ACCS volume is a treasure trove of early interpretation

A Commentary on the Revelation of St. John John Barnes Johnson, 1904

An Exposition of the Revelation of S. John the Divine, both doctrinal and practical ... Illustrated and confirmed from the most ancient Jewish writings. By John Gill. [With the text.], 1776

Calling All Overcomers: An Interpretation of the Book of Revelation James Harman, 2015-04-02 Perplexed by the book of Revelation Not sure what all the signs symbols and metaphors really mean Jim Harman s latest work unravels Apostle John s remarkable revelation of Jesus Christ and what s in store for the inhabitants of planet Earth This extraordinary commentary is not another cookie cutter rehash of the popular teachings fostered by the Left Behind phenomena so prevalent in today s church This unique book outlines the 7 strategic sections of John s vision that are further divided into 7 segments The reader will come away with a new and enlightened understanding of what the last book in God s Word is all about Understand the book of Revelation and why it is so important for believers living in the last days of the Church age Calling All Overcomers is more than the title to this book it s the personal call of God s own heart One of the central messages in the book of Revelation is that God is calling men to be genuine overcomers Jesus Christ has been sent out from the throne of God to conquer men s hearts so they can also be overcomers The purpose of this book is to encourage people to embrace him as the King of their heart and allow his life to reign in theirs He wants you to be able to overcome by his mighty power and strength living inside of you just as He overcame for all of us Jesus will be looking for a faithful remnant qualified to rule and reign with him when he returns This book will help you prepare to be the overcomer Jesus will be looking for Learn about Who the Rider on the 1st Horse Really

[With the Text.]* ,1843 Revelation Restored Warren Johnston,2011 An analysis of the nature of apocalyptic and millennial beliefs that reveals concerns prominent in England in the early seventeenth century had not abated after 1660 Revelation Restored is a study of apocalyptic thought in the later seventeenth century in England It explores an under examined aspect of early modern British history despite the prominence of millenarian beliefs in historians explanations of the early modern English church and state up to 1660 little has been said about these convictions in the years following the Restoration The examination of applications of prophetic language and interpretation to explain the events in England from 1660 to 1700 illustrates their continued capacity to comprehend ecclesiastical and political developments The book demonstrates that far from having disappeared from the intellectual landscape apocalyptic ideas still held the potential to animate opinions in the mainstream of political debate in the later seventeenth century These responses were outlets both for demonstrations of dissent and for endorsements of authorised powers in response to crises in authority and efforts at religious settlement In addition this book contends that any strict periodization that segregates the concerns of early seventeenth century England from those of the later seventeenth century has been too sharply drawn Analysis of the nature of apocalyptic and millennial beliefs reveals that the concerns prominent in England in the early seventeenth century had not abated after 1660 WARREN JOHNSTON is an Assistant Professor at Algoma University in Ontario Canada
