

A three-masted sailing ship, likely a clipper ship, is shown navigating through a turbulent sea. The ship is tilted slightly to the right, with its sails partially set. The water is dark and choppy, with white foam from the ship's wake visible. The sky is filled with heavy, dramatic clouds, with a bright light source breaking through near the horizon, creating a strong contrast and highlighting the ship's silhouette. The overall color palette is dominated by deep blues, greys, and whites, giving it a moody and intense appearance.

Athanasius Thomas G. Weinandy, OFM, Cap., 2018 Thomas

Weinandy has done an excellent job in this book in introducing Athanasius' theology. A well-known Catholic scholar in historical theology, Weinandy has provided students of theology with a profound historiography of Athanasius' major theological writing. *Calvin Theological Journal*: A reliable, concise introduction to the theology of Athanasius. *International Journal of Systematic Theology*: A sustained and intelligent introduction to Athanasius and his literature and will rightly appear on all undergraduate patristic bibliographies. *The Journal of Theological Studies*: A very fine theological work as its subtitle emphasizes: introduction to the Alexandrian bishop, an accessible, intelligent, and worthy volume which offers the reader an overview of Athanasius' thought within the context of his full, if at times harried, ecclesiastical life. *Nova et Vetera*: Weinandy offers a summary of Athanasius' central works and a balanced assessment of his theology's merits and contemporary significance. No student of Athanasius should overlook this reliable guidebook to the little Alexandrian's great life and works. *Religious Studies Review*: Weinandy's introduction to Athanasius is an important work familiarizing the reader with Athanasius' life, writings, and fundamental concerns. Throughout the centrality of soteriology clearly emerges whether the

topic is the doctrine of the Trinity or the life of Antony Hopefully this book will serve to bring Athanasius soteriology more prominently into contemporary discussions alongside the other great masterpieces on this doctrine Themelios **Made Man Running** John W.
